

# Construction Notice

## Mercer Corridor Project Mercer East Construction

April 18, 2011

### Night work on Mercer St. near 9th Ave. N will continue through April

Crews require additional nighttime lane closures on Mercer St. to complete underground utility work. Night work currently underway will extend through the end of April.

**What & Where:** Up to three lanes on Mercer St. will be closed overnight near the intersection of Mercer St. and 9th Ave. N. At least one lane will remain open.

**Why:** Installation of underground utilities across Mercer St.

**Work Hours:** Weeknight work, 7:00 p.m. to 5:00 a.m.

**Duration:** Through April, with intermittent single-lane closures in May if needed

### Open-trench sewer installation and roadway rebuild on Westlake Ave. N north of Aloha St.

Crews will complete the remaining section of sewer line installation, followed by rebuilding a portion of Westlake between 8th Ave. N and Aloha St.

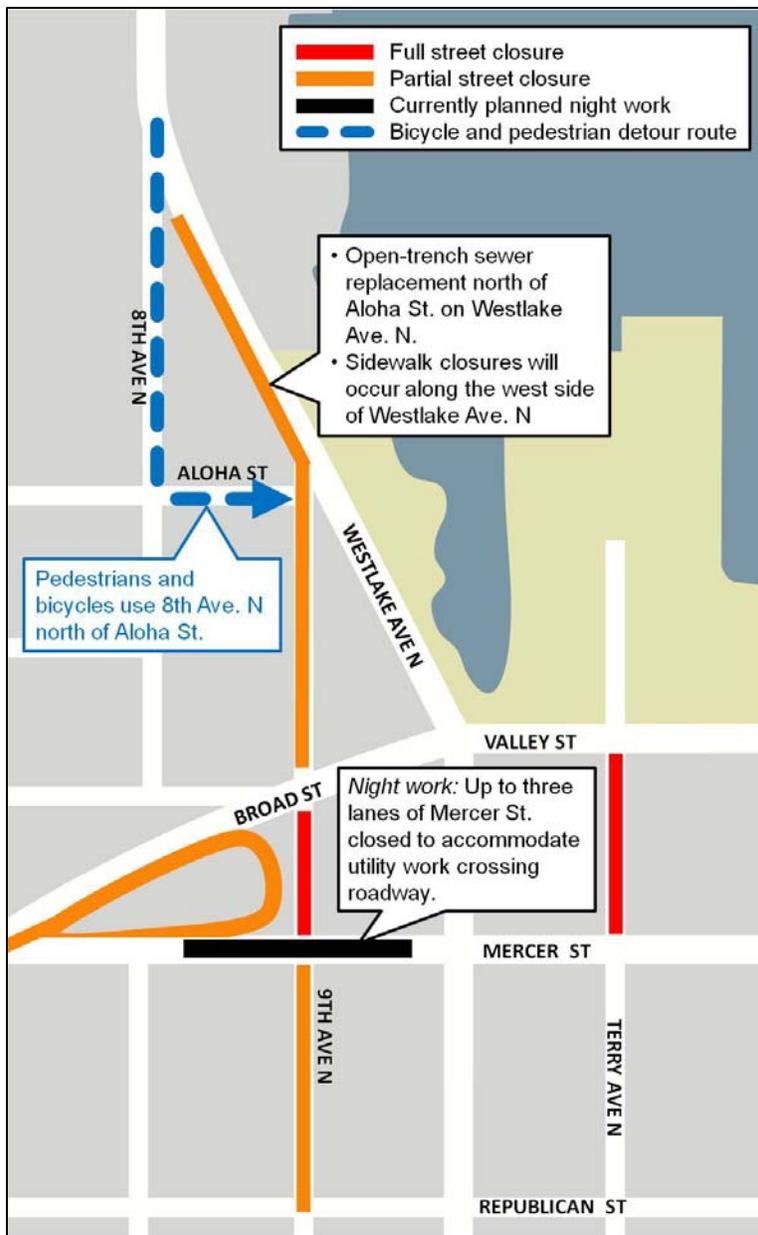

**What & Where:** Open-cut trenching on Westlake Ave. N from Aloha St. to the entrance of the Marriott Hotel. Nearby neighbors and businesses can expect:

- Heavy machinery
- Lane and sidewalk closures. Traffic, bicycle and pedestrian detours will be clearly marked.
- Noise, dust, and vibration

**Why:** To install a new 30-inch sewer line, followed by rebuilding a portion of Westlake Ave. N

**Work Hours:** Weekdays and weekends, crews may work up to 24-hours a day if required

**Duration:** Approximately six weeks

Current road closures and upcoming construction activities.

#### What's Next?

Utility work on 9th Ave. N including water, gas, electrical, storm drain, communications and other installations.

*Please note schedules are dependent on weather conditions and availability of materials.*

**Access to businesses will be maintained during construction.**
