CHIEF SEALTH HIGH SCHOOL WALKWAY IMPROVEMENTS

March 2017

PROJECT BACKGROUND

The Seattle Department of Transportation (SDOT) will improve connectivity, walkability, and safety for residents and students who currently use two unimproved and overgrown paths on 25th and 26th avenues SW, between SW Trenton and SW Cloverdale streets.

In 2016, the Chief Sealth High School Walkway project was one of 12 selected by the Levy to Move Seattle Oversight Committee to be funded through the SDOT's Neighborhood Street Fund (NSF) program. The NSF program funds projects requested by the community.

PROJECT ELEMENTS

- Two 10-foot wide asphalt walkways on 25th and 26th avenues SW connecting between SW Trenton St and the cul-de-sacs to the north
- Pedestrian lights along the two paths
- Removal of overgrown vegetation and installation of new trees and plants, where appropriate
- New plaza space at 25th Ave SW and SW Trenton St, either defined by paint or constructed with concrete

PROJECT BENEFITS

- Increased pedestrian accessibility, especially for students who currently use the unimproved walkways
- Improved access and connectivity, promoting walkability for neighbors who want to connect to Westwood Village, nearby businesses, and transit stops by foot or by bike
