

Lakeview Blvd Improvement

Lakeview Blvd Improvement

Project ID # East SDOT Project

Type of Improvement: Pedestrian & Bicycle Improvement

Neighborhood: Eastlake/Capitol Hill

Description of Project:

Lakeview Boulevard from Harvard Ave E to Belmont Ave E is a popular biking and walking route from Eastlake to Capitol Hill. This section connects the bike route from Melrose Ave E park to Colonnade Park as well as the two pedestrian stairways at E Howe & Blaine Streets. The community has a 2010 small Neighborhood Street Fund project will make improvements to the intersection of E Harvard Street & Lakeview Blvd.

In addition, the I-5 off-ramp has a 55' pedestrian crossing that could be shortened. Curb ramps need to be added along the corridor. Bike facilities will be added and could include repaving the shoulder for bikes.
