

## Pilot Parklet Program Application

To apply to participate in the Pilot Parklet Program, please email this application form, along with a site plan of your proposed parklet, photos of the area that would be converted into a parklet, and at least three community letters of support to [jennifer.wieland@seattle.gov](mailto:jennifer.wieland@seattle.gov) by **5:00 p.m. on February 28, 2014**. For detailed application instructions, please see the application guidelines on SDOT's website.

Contact Information	
Name	
Business or organization name	
Email address	
Phone number	

Parklet Location	
Address of hosting business or organization	
Address(es) of all businesses adjacent to your proposed parklet	
Number of parking spaces needed for your parklet (one parallel space is 20 ft long)	
Describe the exact location of the parking spaces or list the paid parking stall numbers of your proposed site (found on the metal plates bolted to the sidewalk)	

## Parklet Description

Please provide one or two paragraphs that describe your parklet to help reviewers understand what you're planning for the space. Consider the following questions:

- Why do you want to host a parklet?
- What do you hope it will do for your neighborhood?
- What do you see people doing in the parklet? What types of activities will it support?
- Are there any features that you specifically want to include?
