- School Walking Route Boundary
- Arterial (adult supervision recommended)
- Non-Arterial
- Multi Use Path
- City Limit
- Park
- Water Bodies

### RECOMMENDED ROUTES ARE MARKED WITH ARROWS

This map shows the preferred routes for walking to school safely. Please show your child the safest routes and teach her/him good safety habits, such as:

- 1) to stop at every corner and look all ways for oncoming vehicles before crossing;
- 2) to walk quickly, but don't run;
- 3) to use crosswalks, stop signs, traffic signals, school patrols, and adult crossing guards;
- 4) where no walkways are provided, walk on the left side of the roadway as far off the travelled part of the roadway as possible, facing approaching traffic.
