33	I would love to have my children walk to school but the routes are unsafe and there are multiple second and third degree sex offenders in the vicinity. I would love to have a path free of wild blackberry bushes for my children to follow. Thank you and I hope to know the results of this survey when they are released.	3/2/2015 3:53 PM
34	Please make Rainier Avenue a 25mph road starting at 57th and Seward Park Drive. (I'm not sure how far north that speed limit should apply, but maybe your survey will tell you.) We need big signs before that stop light as people come in from Renton. Drivers need to understand they are entering a walkable neighborhood. Because of the topography, all of the North/South streets are high speed/high traffic. Rainier Avenue is the most central pedestrian route - connecting Upper RB to Beach Square and to the schools - so it should be made the safest.	3/2/2015 1:44 PM
35	We live 6 blocks from my childs school. She is scared to walk home after school. Men stop and yell at her. Kids scream. One person even stopped there car and tried to pick her up. We live to close to get the yellow bus and she's to old for kids co.	3/2/2015 1:05 PM
36	sidewalk is often covered in shrubs and mud (along Renton Ave S and along Henderson).	2/22/2015 8:46 PM
37	Need more crime control before discussion about bike or walk to school.	2/5/2015 7:07 PM
38	traffic is a way bigger concern than crime, time, weather, etc.	2/4/2015 11:23 AM
39	If there were a safe route for her to take with other kids, this would definitely be an option we would consider.	2/3/2015 6:55 PM
40	This is a great idea!	2/3/2015 5:48 PM
41	I don't feel there is a safe route for walking or biking mainly because my children have to cross Martin Luther King Way. Even with the cross walks, I feel uneasy with my children crossing 5 lanes of traffic with the light rail, cars, and buses.	2/3/2015 3:37 PM
42	I would love to have my child walk to school as he get s a little older by himself , but not in my neighborhood which is high crime.	2/3/2015 12:16 PM
43	Crime is bad and our streets are very bad and full of garbage. There are also a lot of underground springs and sidewalks with voids in them. High rat activity	2/3/2015 11:47 AM
44	It would be very hard for my kids to walk/bike to school without an adult. The Rainier/Henderson corridor is very dangerous, traffic, crime, older students, etc	2/3/2015 11:11 AM
45	My daughter always walks with a friend to school. She would like to ride her bike but I don't like the options for bicycle storage while she is in school.	2/3/2015 10:10 AM
46	I drop my kids off at school in the morning, but then they take the bus back home. Even though we are only one mile away from the school- the bus route is not direct & takes them about 30-45 minutes to get home. Walking or biking would be a better option, but they have encountered some potentially illegal and/or dangerous activities on the walk home before. So, the bus home is the most used option. This survey did not really address the "school to home" scenarios, so I wanted to call that out here in the comments.	2/3/2015 10:05 AM
47	Rainier Avenue is unsafe. Commuters rushing to work in the morning are more important to policymakers than my child's health and safety. SLOW DOWN TRAFFIC ON RAINIER.	2/3/2015 9:57 AM
