

“POP-UP GREENWAY” COMMUNITY EXPERIENCE

GET TO KNOW A GREENWAY!

Temporary installation set to debut August 9, 2013
Summer Streets Celebration

Experience what it's like to live on a greenway. Neighbors will have the opportunity to immerse themselves in greenway living and provide feedback during the demonstration period. Look for the greenway on 1st Ave NW from August 9 - 30. Scan the QR code to learn more about greenways, volunteer to help, or to make comments. Look for our booth at Summer Streets and take a tour of the proposed 1st Ave NW Greenway route.

Brought to you by Greenwood Phinney Greenways
