

Neighborhood Block Party

INVITE

Neighborhood Block Party 2008
is part of Mayor Greg Nickels'
Climate Action Now program.

Let's Celebrate!

Give your car the summer off.

Throw a neighborhood block party to celebrate your community and Seattle's Car-Free Summer.

We're all aware of the perils of climate pollution. But did you know that transportation accounts for nearly half of the greenhouse gas emissions in Seattle? If everyone drove 1,000 miles less a year, or 20 miles every week, Seattle would meet its current climate protection goals.

So we are hosting a car-free block party on - (Date) _____ from (Time) _____ to _____.

You are invited to leave your car at home and walk, bike, get to know your neighbors and celebrate Car-Free Summer. If you have suggestions, or ideas for an event or activity that would make our 'car-free' party memorable, or if you are willing to assist in the setup, please contact:
