

The projects listed below are included in the Seattle Department of Transportation Capital Projects Dashboard, an interactive site designed to offer insight into budget, spending, and timeline information on City transportation projects that have reached the design phase and are estimated to cost more than \$500,000. The Dashboard does not include projects that are in planning stages or do not have established budgets and schedules.

Please visit [capitalprojects.seattle.gov](http://capitalprojects.seattle.gov) for project updates and additional information.
