

# Zone 2

## Ferry Terminal Zone

## Opportunities and Challenges

### Opportunities:

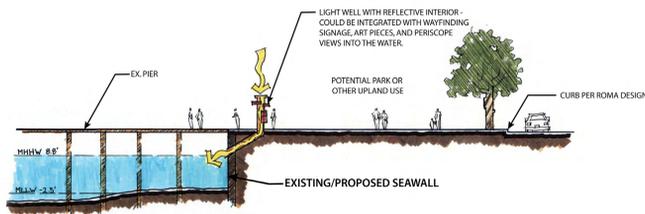

- Create light corridor for fish migration
- Enhance habitat with modified seawall
- Support multi-modal transportation hub

### Potential Challenges:

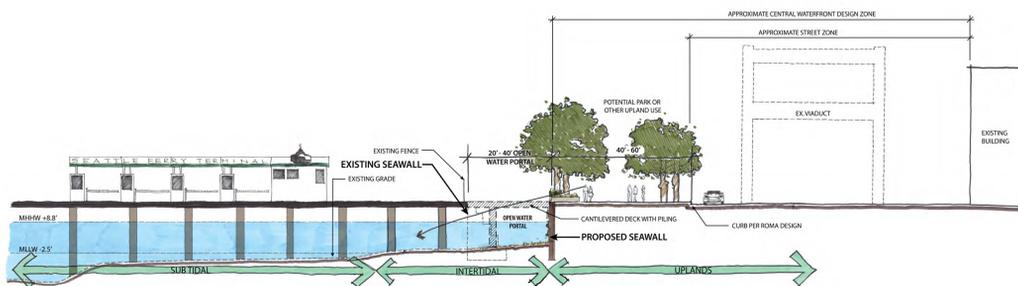

- The ferry terminal has unique security needs.
- The schedule for rebuilding the ferry terminal is unknown.
- Access to ferries and the fire station must be maintained.

## Example Options for Wall Placement

Wall in place

Wall pulled inland

### Possible Design Elements:
