

Join the Seattle Department of Transportation's Community Parking Program at a

# Capitol Hill & First Hill Parking Open House

Thursday, September 17, 2009 6PM-8PM | First Baptist Church

You know that parking is a premium on Capitol Hill and First Hill. We know it too.

That's why SDOT is working on community parking projects in First Hill and Capitol Hill. We've gone to community meetings, studied how parking is being used, and walked around the neighborhoods. Now we have a few options to change and improve parking in your neighborhood, and we need your feedback.

Please attend SDOT's joint Capitol Hill-First Hill parking open house:

**When: Thursday, September 17, 2009 from 6PM – 8PM**

**Where: First Baptist Church, 1111 Harvard Avenue, in the Parlor Room**

Light refreshments will be served. See you there!
