I would like a guest permit at a \$0 charge with my decal. **ONE guest permit allowed per household.**

I do not want to purchase a decal for my vehicle, but I would like a guest permit for \$0.

NOTICE – PLEASE READ

Under ordinance 108354, a vehicle with a valid, properly affixed Restricted Parking Zone (RPZ) decal will be exempt from the RPZ parking prohibitions where there is an "EXCEPT BY ZONE 30 PERMIT" sign. It DOES NOT exempt the vehicle from any other parking restriction or controls.

UNDERSTANDING/OBLIGATIONS

I will PERMANENTLY AFFIX the decal issued to me to the lower center of the rear window of the vehicle for which it is issued. If the vehicle is a truck, a vehicle without a rear window, has a dark-tinted back window, or a surface defroster, I will place the decal in the lower left-hand corner (driver's side) of the front windshield. I will remove the decal if the vehicle is sold or transferred to another owner. In the event that the decal is lost or stolen, I will report it to Traffic Permits at 684-5086 within three (3) business days. I understand that guest permits are to be used only for vehicles of persons actually visiting a resident, and that both decals and guest permits expire **October 31, 2011**.

The information I have provided on this form is accurate and true to the best of my knowledge.

1. What your Restricted Parking Zone (RPZ) decal will do:

- A properly displayed RPZ decal will exempt a permitted vehicle from the time limit parking prohibitions in areas designated with signs reading, "EXCEPT BY ZONE PERMIT." Your decal must be **permanently affixed** to your vehicle to avoid citation.

2. What your RPZ decal will not do:

- An RPZ decal will not exempt a vehicle from any parking restrictions other than the RPZ prohibitions. For example, it will not make it legal to park a vehicle:
 - On the street longer than 72 hours;
 - Anywhere else where parking is illegal as defined in the Seattle Municipal Code.
- Having an RPZ decal on your vehicle will only exempt your vehicle. You may obtain a guest permit for your visitor's vehicles.

3. Placement of the decal:

- **PERMANENTLY AFFIX** the decal to the **LOWER CENTER OF THE REAR WINDOW** on the inside of the vehicle for which the decal was issued. If your vehicle does not have a rear window or it would be difficult to display the decal there, then place the decal in the lower left hand corner (driver's side) of the front windshield.
- If the decal is not properly displayed, and is not clearly visible for Parking Enforcement Officers, you will not be exempt from time limit prohibitions and will be liable for citation.

4. Guest permits:

- Guest permits will be void unless they are placed on the rear view mirror of the guest's vehicle.
- Guest permits are to be used only by visitors of a resident. If a resident uses the guest permit, the resident is liable for citation. Have your guest return your permit before leaving.

5. Misuse of a parking decal or guest permit:

- To avoid losing restricted parking zone privileges for a one year period, be sure to use the decal only on the vehicle for which it was issued.
- It is illegal to sell RPZ decals and guest permits.
- If a parking decal or guest permit is misused, your permit eligibility will be revoked for a period of one year.

6. General Information:

- If you believe a decal or a guest permit is being misused to park a vehicle in an RPZ parking zone, please call Traffic Permits at (206) 684-5086 or Parking Enforcement at (206) 625-5011, with the decal or permit number and license plate number of the vehicle. The City will investigate your complaint.
- If a guest permit is lost, you can receive up to two replacements. The first replacement costs \$15 and the second costs \$25. After two lost guest permits, no other guest permits will be issued until the next renewal cycle.
- There is a \$20.00 fee for all checks that are returned for insufficient funds.

For additional information or clarification, please call SDOT Traffic Permits at (206) 684-5086.
