

Open House

5:00 to 7:00 p.m., Thursday, October 16th,
South Lake Union Naval Reserve (860 Terry Avenue North)

*Don't miss this opportunity to learn more
about transportation changes that will:*

- Support investment in jobs and housing in South Lake Union.

- Improve mobility and access for pedestrians, bicycles, vehicles and transit within and between South Lake Union, surrounding neighborhoods and downtown.

- Improve safety of all transportation modes.

- Promote economic vitality, sustainable development, neighborhood livability, and quality of life for current and future residents and businesses.

**By 2020,
South Lake Union
will be the home to 20,000
new jobs and 10,000 new
housing units.**

**You can help create a
transportation system
that supports this
neighborhood's
revitalization.**

"South Lake Union's potential is enormous. Research and manufacturing will bring jobs, housing and neighborhood amenities. It's up to us to put the transportation foundation in place to make it happen."

—Mayor Greg Nickels
