# LOWER TAYLOR CREEK RESTORATION PROJECT

## OPEN HOUSE • MAY 7, 2015

### OPEN HOUSE AGENDA

**6:30 PM**

Open House Begins

**6:30 to 8:00 PM**

Visit Stations

Individual Q&A with Project Team

**8:00 PM**

Open House Adjourns

Seattle Public Utilities (SPU) is working to identify a preferred creek alignment that will restore Lower Taylor Creek and improve conditions for fish passage. This open house is an opportunity for community members and the public to:

- ✓ Learn about the project purpose and what has been done so far.
- ✓ Understand the criteria used to rank planning concepts.
- ✓ View three planning concepts.
- ✓ Talk one-on-one with project team members to discuss the concepts and next steps.

### THREE STATIONS

#### 1 WHY ACT?

Learn about the conditions and concerns that need to be addressed through this restoration project.

#### 2 WHAT WE KNOW

See what's happened so far and understand the criteria and "must haves" that are driving this process.

#### 3 WHAT'S NEXT?

Explore three planning concepts, learn about next steps, and find out how you can be involved moving forward.
