

Friend of Recycling and Composting Pledge

For the \$100 credit, you must return this pledge stapled to the application.

Dear **FORC**: Please take the actions below, complete the pledge, and mail it back to SPU using the enclosed return envelope or directed to:

Seattle Public Utilities
PO Box 34018
Seattle, WA 98124-9856
Attn: FORC – 46th floor

Initial

Required Actions

- _____ I completed and mailed the demographic Questionnaire enclosed in this folder.
- _____ I ordered and distributed food and yard waste flyers to all units at my property. (Use the enclosed yellow card or order online: www.seattle.gov/util/recyclingeducation)
- _____ I ordered and displayed posters as needed at my property, such as: *“Now Available: Food Waste Collection Service; Recycling; Garbage; and Food and Yard Waste.* (Use the enclosed yellow card or order online www.seattle.gov/util/recyclingeducation)
- _____ I reviewed the materials in this green FORC folder.
- _____ I viewed the videos at www.seattle.gov/util/apartmentfoodwaste (in the “Help Residents Compost” section). Or, I left a message at (206) 684-8717 to request a DVD, and I watched it.
- _____ I provide training as needed for current and new residents so they are informed on how to correctly sort materials into containers.
- _____ I monitor collection containers on my site. When reasonable, I SAFELY transfer items from the *top* of one container to another container with a tool like a “grabber.” I do not put my hands in any container due to the risk of needles or other potentially harmful items.
- _____ I confirm that the food waste cart is located so residents can safely and easily find it, and I have notified residents about the location of the food waste cart.
