

# Walking Path Visual Interest

## Walking Path Location

## Concept

- Found art pedestal and bench coordinated with design at South Transfer Station Phase I.
- Avoids large, flat surfaces to minimize graffiti.
- Wire basket can be colored.
- Pedestal located behind the fence to reduce vandalism.

## Found Art Pedestal Options:

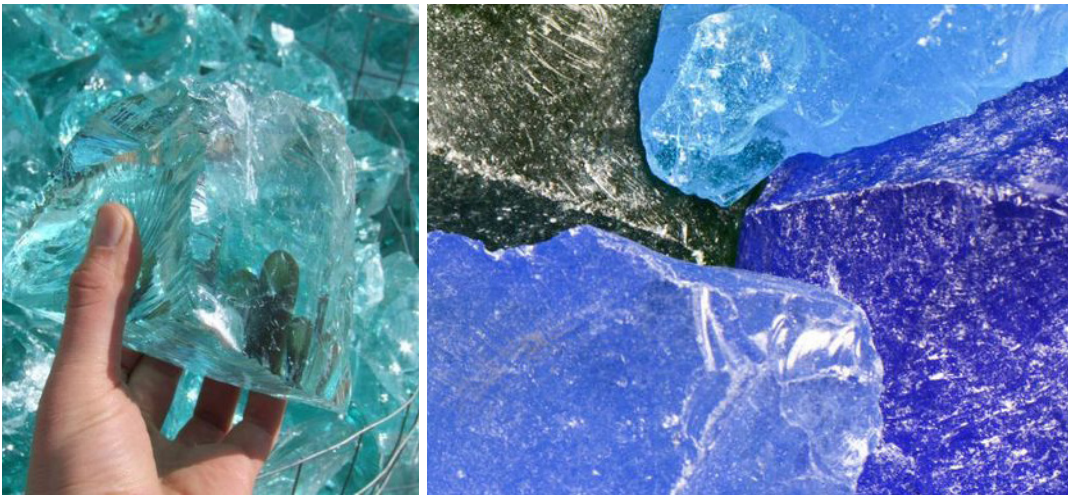

**A** Empty, with color wire

**B** Filled with stone

**C** Filled with recycled glass

**D** Incorporates light
