

Recycling Alert from Your Property Manager

Date:

Dear Resident,

Our property provides containers for garbage, recycling, and food and yard waste as required by Seattle City law. When materials are put into the wrong containers, our property is charged additional fees, which may push rents up.

Please sort your materials according to the labels, posters, and flyers on our property. If you have questions, please contact me or the front office. You can also find answers online at www.seattle.gov/util/lookup or by calling Seattle Public Utilities Customer Service at (206) 684-3000.

Seattle Laws

Recycling Ordinance #121373

“As of January 1, 2005, all residents...shall separate paper, cardboard, glass and plastic bottles and jars, and aluminum and tin cans for recycling; and no paper, cardboard, glass or plastic bottles and jars and aluminum or tin cans shall be deposited in the garbage.”

In addition, televisions, laptops, computers, monitors, and fluorescent bulbs and tubes are prohibited at the curb in any container. Find out where to recycle them as well as mattresses at 1-800-RECYCLE or <http://your.kingcounty.gov/solidwaste/takeitback/index.asp>.

Solid Waste Ordinance #122844

Yard waste shall not be mixed with garbage, refuse or rubbish for disposal.

Multi-family Food Waste Collection in Rates Ordinance #123467

Effective September 1, 2011, it will be mandatory for all residential detachable container customer accounts to subscribe to one of the compostable waste services described in this subsection...

Solid Waste Ordinance #21.36.082/83

Starting January 1, 2015, no food and compostable paper, including food-contaminated cardboard, paper napkins and kitchen paper towels, will be allowed in the garbage.

Please sort your material into the correct container.
