

EMERGENCY WESTERN AVENUE WATER MAIN REPLACEMENT PROJECT

Construction update for August 29 – September 4

Emergency work continues on Western Avenue to replace a water main at risk of failure. From August 29 to September 4, you can expect the following impacts in the project area:

CONSTRUCTION ACTIVITIES

- Work will continue on Western Avenue between Yesler Way and Marion Street Monday through Saturday during the day. No night work is expected this week.
- Sawcutting, pavement breaking, and excavating between Yesler Way and Marion Street with increased noise and dust.
- Some night work expected in the coming weeks, with noisiest work completed by 10 p.m.

TRAFFIC

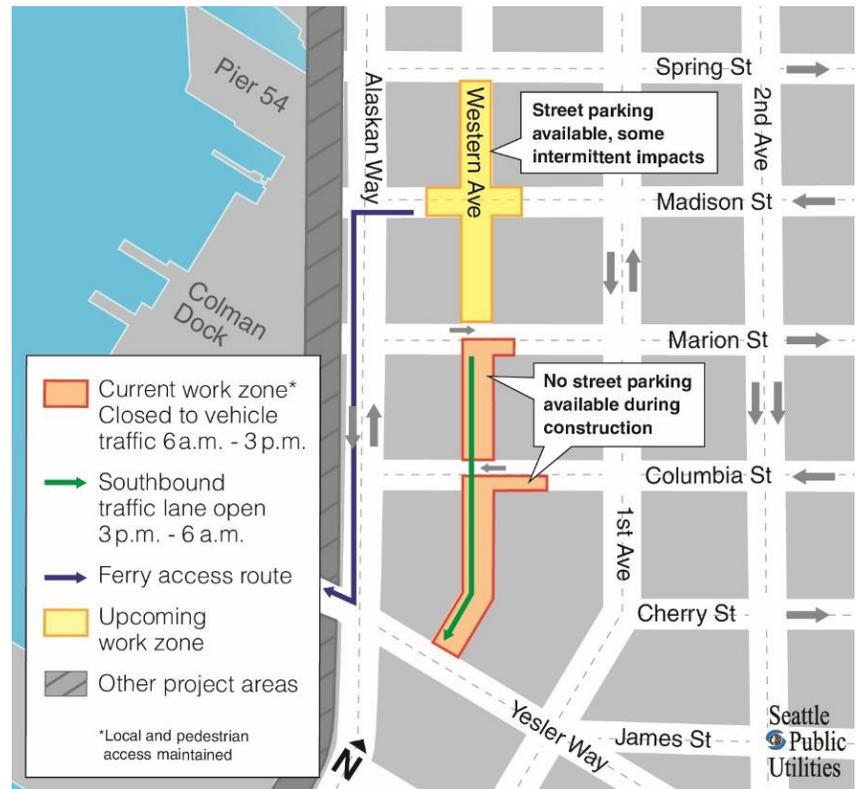

- Western Avenue between Marion Street and Yesler Way will be closed to vehicle traffic from 6 a.m. – 3 p.m. One southbound lane will be open from 3 p.m. – 6 a.m.
- Large vehicles travelling southbound on Western Avenue should detour at Marion Street or Madison Street.
- Vehicles can access the ferry terminal via Madison Street.
- Western Avenue will be closed Saturday, August 29 between Union and University streets from 4 a.m. – 9 p.m. to accommodate private work.

PARKING

- No on-street parking between Yesler Way and Marion Street.

PEDESTRIANS AND CYCLISTS

- Pedestrian access will be maintained between Yesler Way and Spring Street. Sidewalks may be briefly closed to safely accommodate work next to the walkway.
- Steel plates may be present on the roadway. Bicyclists should use extreme caution.
