

## “One-Less-Car” Study Odometer Tracking Sheet

In order to calculate the difference in weekly vehicle miles with and without the extra car; we would like the odometer reading on ALL of your households cars:

Household Name*:	Car 0 Year/Make/Model	Car 1 Year/Make/Model	Car 2 Year/Make/Model
	the “extra” car you give up during the “non-driving period” (this odometer was checked at the kick-off meeting – and is the odometer that should not change, per the contract, during the non-driving period)	the car you still use during the “non-driving period” (unless you gave up your first and only car)	the 2 <sup>nd</sup> car you still use during the “non-driving period” (for those families who had more than 3 drivers and 2 cars to start)
At the start of the baseline:			
At the end of the baseline period:			
At the end of the project:			

\* please make sure you have filled in your name
