

# Ballard Edition

of the *Neighborhoods on Foot* series

## Nine Ways to Help You Get the Most From This Map

### 1. Your Range and Speed

Do you know how long it would take to walk between any two points on this map? Each checkerboard square under the scale (above right) is one minute's worth of walking at a pace of three miles per hour.

### 2. Meeting Places, Destinations

We've marked the top destinations listed by the neighborhood's young people. Their picks included: the skateboard park, the pool, Golden Gardens, Sunset Bowl, the Boy's & Girls Club, Majestic Bay Theatre, the library, community centers, parks & playgrounds, and Market Street.

### 3. Urban Village Boundary

The Urban Village roughly aligns with new mixed-use zoning. This supports a vision of convenient, walkable neighborhoods, where people don't need cars to get to work, entertainment, and shopping.

### 4. 10 km Walking Route

Stroll past some of Ballard's best treasures. This route has been measured out to be exactly 10 km (6.2 miles) and is an officially sanctioned "year-round event".

### 5. Pit Stops

If you get there on your own steam and show your Ballard Edition of the *Neighborhoods on Foot* series, these Ballard establishments have agreed to let you use their

### 6. Off-street Walks

Ballard boasts some terrific walks off the beaten path. Walk the beach or scout a trail at Golden Gardens, take a stroll through the Botanical Gardens, or muck through a lush, wild ravine north of 85th.

### 7. Other Community Places

Excellent community centers offer everything from training gyms to lunches, from dance lessons to movie nights, for people ages 1 through 111.

### 8. Worth a Trip

At these points, look for curiosities, landmarks, or views (some items may require a search). Also try a walk on one of our "view corridors".

### 9. Intersections

Dots indicate signalized intersections. Circles identify marked crosswalks.
