(between Columbia & Marion
in downtown Seattle)

Jon Ehrenfeld

**Capt. Peter
Ubaldi**

The fire service is adapting to an aging population and huge need for non-emergent medical care and social services. Jon Ehrenfeld and Captain Peter Ubaldi from the Seattle Fire Department will discuss frequent users (individual and organizations) of 9-1-1, SFD's Vulnerable Adult Program, and its forthcoming Mobile Integrated Health response.

New this year: we'll produce [short video stories](#) ("vlogs") about each coffee hour that you can share with your friends or anyone else who wants to learn about these events.

For questions about accessibility or to request an accommodation, contact Lenny Orlov (206-386-1521 or agefriendly@seattle.gov) at least three days prior to the event.

Age Friendly Seattle Coffee Hours are held on the third Thursday of every month at the Central Building and on other dates in Seattle neighborhoods.

The events bring community elders closer to City officials to explore topics of interest. Presentations often include cutting edge information about healthy aging, legal and planning issues, and more.

Participants learn about City programs and services, and officials hear from their constituents.

Coffee and refreshments are served.
