Creative Androgyny

A Seminar Exploring Alternatives
For Dealing with Problems
Related to Androgynous Appearance

- ARE YOU PLAGUED BY PEOPLE CALLING YOU "SIR?"
- DO THEY DO A DOUBLE-TAKE WHEN YOU TRY TO CASH YOUR OWN CHECKS?
- HAVE YOU EVER BEEN KICKED OUT OF A WOMEN'S RESTROOM?
- DOES THIS BUG YOU?

CREATIVE ANDROGYNY will explore this and other problems. We will share personal experiences, learn techniques in assertiveness and problem solving, and attempt to apply these skills towards generating means of dealing with the above problems. We will practice our solutions through role-playing, and then test them in actual field situations. After evaluating and refining our approaches, we will compile what we have learned into a HANDBOOK FOR CREATIVE ANDROGYNY.

The workshop will be held on Saturday, Dec. 4, from 9:00 a.m. to 4:00 p.m. at the University YWCA, 4224 University Way, N.E. The date for a follow-up meeting will be determined that day. Women of all sexual orientations are welcome. Childcare will be provided. Bring a sack lunch, pencil, paper, personal experiences and a passion for solving the problem. A donation of $4.00 is requested to cover workshop expenses and the cost of printing the HANDBOOK. Make checks payable to the University YWCA-LRC. Please return the slip below with your donation to help us with preparation and planning. For more information call the Lesbian Resource Center, 632-4747.
