## Join the Families, Education, Preschool and Promise Levy Oversight Committee!

The Seattle Department of Education and Early Learning (DEEL) seeks three new volunteers to join the Families, Education, Preschool and Promise (FEPP) Levy Oversight Committee (LOC).

The FEPP Levy is a seven-year, \$619 million dollar investment in Seattle's youth approved by voters in November 2018. The FEPP Levy partners with families and communities to achieve educational equity, close opportunity gaps, and build a better economic future for Seattle students by investing in:

- High-quality early learning services that prepare children for success in kindergarten;
- Physical and mental health services that support learning;
- College and job readiness experiences that promote high school graduation; and
- Post-secondary opportunities that promote attainment of a certificate, credential, or degree.

**What are the responsibilities of LOC members?** The FEPP LOC was established by City Council Ordinance 125604 to advise and make recommendations to the Mayor and City Council on programs and activities supported by the FEPP Levy. The following are specific duties of LOC members:

- Regularly attend meetings (Currently the 4<sup>th</sup> Thursday of each month from 4:00-5:30pm) and annual retreats;
- Serve a three-year term with the possibility of reappointment;
- Monitor the progress of FEPP Levy investments to meet intended outcomes and goals;
- Review annual reports of FEPP Levy outcomes and indicators for the previous school year;
- Review and advise on proposed course corrections, modifications, and program eliminations; and
- Make recommendations on the design of and modifications to FEPP Levy investments that require Council approval by ordinance.
