

Work Plan as of June 14, 2017

Serious and Deadly Force Investigation Taskforce

Before June Meeting

- Readings (Taskforce Members)
 - o Stanford Law School and Stanford Criminal Justice Center, "[At Arm's Length: Improving Criminal Investigations of Police Shootings](#)"
 - o Police Executive Research Forum, "[Thirty Guiding Principles on Police Use of Deadly Force](#)"
 - o Optional: [SPD's Use of Force Policy](#)
 - o Optional: Native American Community/SPD Restorative Circle Agreements
- Create SDFIT website (Staff)
- Create OPA/OIG/FIT Flow Chart (OPA)
 - o Includes who the decisionmakers are and how the sworn officers involved are chosen to be a part of it.
- Begin survey of external investigation models (Staff)
- Obtain records related to FIT/FRB outcomes in Seattle (Staff)

June Meeting

- Hear law enforcement's perspective on investigations and what it's like to be an officer
- Presentation on survey of external investigation models including Wisconsin
 - o Pros/cons
 - o Details like how many cases, findings, criminal prosecutions, etc.
- Discussion: What are our metrics for success?
 - o Values and requirements
- Incomplete: Presentation on outcomes of Seattle's serious and deadly force investigations

Questions from May Meeting

- Are there jurisdictions that have civilians that do the work?
- Are there any statutory requires in the state that require sworn officers to conduct investigations?

Remaining Work Plan Items

1. Conduct additional research of independent investigation models (Ontario, Canada; Snohomish County)
2. Develop a press release announcing the Taskforce's work
3. Develop a press release from community members on Taskforce
4. Conduct community engagement on Taskforce's findings and recommendations
5. Research what impact Garrity has had on criminal investigations of use of force
6. Analyze outcomes of Seattle's serious and deadly force investigations
