- Missing fewer than five days of school each semester
- Earning a C or better in all core courses
- Reducing opportunity gaps in core course performance

Levy Goals

All of Seattle's children will ...

- Enter kindergarten prepared to succeed
- Achieve academically and the achievement gap will be reduced
- Graduate from high school prepared for college or career

Levy-Funded Community Partners

- Group Health Cooperative
- YouthCare

Levy-Funded Key Strategies

- High School Specialists develop a connection between school and students' lives beyond school, offering students experiences in the work world and helping them to set long-term goals
- YouthCare case managers connect students to needed services and connect with students who are missing school or need additional support, including home or community visits
- Additional case management support for College Bound Scholars experiencing significant academic and social/emotional barriers
- School based health center services focus on treating and preventing health issues that interfere with academic achievement, including immunizations, chronic disease management, reproductive health care, oral health, and behavioral health counseling
