

Community Visioning at Myers Way S

At the Camp Second Chance Open House on March 17, 2019 people were asked: “What’s YOUR Vision for Myers Way? What do you want to see here?”

Here’s what people said they would like to see:

“A sustainable, healthy ‘model,’ designed to compliment the surrounding community while addressing the complex challenges faces by the underhoused. “

(Attitude/ Vibe)

- * Neighborliness
- * A safe place for our community
- * Remove the Barriers of Fear
- * More Love for Each Other

(Buildings and Land)

- * Lighting area for bathrooms
- * Outdoor Theater (movies, music, meetings)
- * Showers & Laundry
- * Facilities for bathing, bathrooms, & kitchen
- * Community Theater
- * A community of tiny houses with real sanitary facilities
- * More little houses
- * Fruit Trees/ Gardening
- * Food Forest
- * Community Gardens

- * Preserved Wetlands and Habitat + CSC
- * Keep it Wild
- * Community Land Trust
- * Vegetable Garden

(Function)

- * A park for children to play and CSC to have
- * Dog park
- * Collaborate between CSC/ Community for park
- * Long term Tiny Village Housing
- * Housing for All!
- * Multi-income public space
- * Music
- * Model Triage and Resiliency (based on climate science predictions)
- * Teaching Gardens so people can learn new techniques
- * Education Center: Nature, Conservation, Homelessness
- * More events that include general community to inform
- * Support in getting to the next level
- * "I love the vision board! Gardening is good for the soul and the stomach."

(In compiling the community input, comments fell into the categories of: Attitude/ Vibe, Buildings/ Land, and Function, so that's how they are arranged here. - dh)

Aaron Garcia, Community Engagement Manager for the White Center Development Association, facilitated the Visioning Station at the Open House.
