CAC Member Reports:

Patty Foley, organizer of Georgetown Crime Forum, in attendance to cover the meeting for CAC and NGCAC stakeholders.

Nickelsville Georgetown is not a low barrier camp, nor will it become a low-barrier camp.

Scott Morrow reports that 4 individuals have left Lichten Springs (low barrier) for Georgetown. They have not been successful at adapting to a low barrier environment. Nickelsville Georgetown residents prefer to not have any more low-barrier residents from low-barrier camps be moved into Georgetown camp.

One-mile buffer placed on barred residents who wish to return to camp. For those who do not wish to return to camp, there is no recourse for camp leaders to enforce the one-mile buffer.

There may be concerns that a 23% increase in property crime in Georgetown may be in part a result of the barred residents from the Nickelsville Georgetown. If the barred residents of Nickelsville Georgetown are not able to manage to behave and conduct themselves in a manner that is acceptable in Nickelsville Georgetown, the residents of the Georgetown neighborhood would probably prefer that these individuals not hang around the neighborhood after being barred.

NG Residents reminded of the obligation to the Georgetown community. Trash and outside security detail. There is a weekly sign-up sheet.

Pink vests, garbage bags, trash grabber, observe and report ...300 hours, 250 lbs of garbage since January 17th

Neighborhood walk and watch opportunities for Nickelsville Georgetown and Georgetown neighborhood residents to collaborate on trash clean up, cleaning alleys, walking neighborhood
