Eligibility and Coverage Information

New Employee Enrollment

If you are a new employee, you must enroll in/apply for medical, dental, vision, life, AD&D, and/or supplemental LTD coverage **within 30 days of your hire date**. You have two enrollment options:

- 1) through [Employee Self-Service](#), which is preferred
- 2) if you have no access to a computer, submit a *Benefit Election Form* to your Department's [Human Resources Representative](#). If you choose paper forms, make sure they are completed, signed, and dated.

If you miss the deadline, you will be defaulted into certain benefits and ineligible for others. You must wait for the next Open Enrollment period to make changes.

If you do not enroll in life insurance when first eligible, you will be required to complete a *Medical History Statement* or *proof of good health* for the insurance carrier, and you are not guaranteed coverage as you are when first eligible.

You must enroll within 30 days of hire. Coverage begins for you and your eligible family members on your first day of employment if that date is:

- the first calendar day of the month designated as a City business day, or
- the first calendar day of the month designated or recognized as the first working day for the shift to which you are assigned, whichever is later.

If your employment begins after this date, your coverage will begin the following month.

What if I miss the enrollment deadline?

If you fail to enroll within 30 days of your hire date, you will automatically be enrolled for dental and basic vision coverage. Your dental coverage will default to the Delta Dental of Washington plan.

If you are newly eligible for health coverage and don't actively elect or waive medical coverage, you will automatically be enrolled in the Aetna Traditional employee only plan. This plan requires no premium contribution from you.

You also will need to meet additional requirements to enroll in Life Insurance at a later date. You may be required to submit a Medical History Statement and have it approved by the insurance company to be eligible for Life Insurance coverage.

When Coverage Begins

Eligibility and Coverage Information

Waiving Coverage

You have the option to decline medical coverage within 30 days of your hire date, during Open Enrollment, or within 30 days of a qualifying event. If you waive coverage, you may not cover dependents under the City's medical plans. You will not be charged premium payments if you decline medical coverage and will still be enrolled in the dental and vision plans because there is no employee premium contribution.

How do I enroll my family members?

There are two opportunities to enroll family members:

- Open Enrollment
- Life Event or Family Status Change, for example:
 - Within 30 days of marriage, establishment of a domestic partnership, legal guardianship or a dependent losing coverage on another plan
 - Within 60 days of your child's birth or adoption event for health care coverage
 - Within 30 days of your child's birth or adoption event for life and AD&D insurance
 - Other examples of a Life Event or Family Status change can be found on Pages 6 and 7.

If you add a family member outside of Open Enrollment, you must complete a [Benefits Change Form](#) and submit it to your department's Benefits Representative. If you miss the enrollment deadline, you can enroll your family member(s) at the next open enrollment period, which is generally in the fall.

After you enroll a dependent, Alight Solutions, the City's business partner, will send a letter to your home within 2-3 weeks requesting documents that confirm the eligibility of your dependents. Additional information about the dependent eligibility verification process is [here](#).

Visit <https://www.seattle.gov/human-resources/benefits> for more information. Call your department's [human resources or benefits representative](#) or the City's Benefits Unit at 206-615-1340 if you have questions.

Eligibility and Coverage Information

How do I disenroll my family members?

If you need to remove a family member from coverage outside of Open Enrollment, submit a completed Benefit Election Form to your department's [benefits representative](#).

If you end your spouse or domestic partner's coverage due to legal separation or termination of the marriage/partnership, submit a completed Statement of Termination of Marriage/ Domestic Partnership form or a Notice of Termination of State Registered Domestic Partnership within 30 days of the legal separation, divorce or domestic partnership termination.

There are two opportunities to change your benefit choices:

- Open Enrollment
- Within 30 days of a qualifying change in family or job

Changing Your Benefits

Open Enrollment

Open Enrollment is held once each year in the fall. During this time, you can change your benefits plans, add and drop family members and add or drop coverages. If you make changes during Open Enrollment, your new coverage is effective on January 1 of the new (next) plan year. Increases in your Life insurance coverage are subject to the approval of your *Medical History Statement* by the life insurance carrier.

Open Enrollment is also the time to enroll in the Flexible Spending Account program (Health Care and Day Care). You must re-enroll every year, even if you had an account the previous year.

Life Events/Family Status Changes that May Affect Your Benefits

You must enroll a new spouse or domestic partner and any dependents within 30 days of your marriage or establishment of a domestic partnership. You have 60 days to add a child acquired through birth, adoption or placement for adoption (This 60-day deadline does not apply to FSA changes.) *If you miss the deadline*, you can only add family members during the annual fall Open Enrollment period.

If you have a change in family status, you may be able to make a related change to your benefits. Here are several examples. Contact your Human Resources representative if any of the following occur:

- You adopt a child - you may add coverage for that child (you may add coverage for your other dependents at that time).
- Your child loses coverage under your spouse's coverage - you may add this child to your plan.

Eligibility and Coverage Information

When Coverage Ends

- You get married or form a domestic partnership - you may enroll your new spouse or domestic partner and his/her eligible children.
- Your spouse or domestic partner loses coverage due to termination of employment, change in employment status, or beginning an unpaid leave of absence – you may add your spouse or partner to the plan.
- Your spouse or domestic partner gains coverage due to start of employment, change in employment status, or ending an unpaid leave of absence—you may drop your spouse or partner from the plan.
- You get divorced, legally separate, or dissolve a domestic partnership – you must drop the spouse or domestic partner from the plan.
- Your child no longer meets the age requirements for medical/dental/vision – your child will be dropped from coverage.

Your medical/dental/vision, Basic and Supplemental Long-Term Disability, Basic and Supplemental Life and AD&D coverages end on the last day of the calendar month in which you:

- Are no longer eligible
- Resign, retire or are terminated
- Stop making any required payment.

Continuing Coverage Under COBRA

To help you maintain health coverage, Congress passed the Consolidated Omnibus Reconciliation Act (COBRA) in 1986. Under COBRA, you are eligible to purchase continuing medical only, dental/vision only, or medical/dental/vision coverage under certain circumstances when your group health plan coverage with the City ends.

If you are a City employee and have City medical, dental and vision coverage, you and your covered family members have the right to elect COBRA continuation coverage for up to 18 months if your coverage is lost because of one of these qualifying events:

- Your employment ends for a reason other than gross misconduct
- Your work hours are reduced to the point where you no longer are eligible for benefits.

Eligibility and Coverage Information

The 18-month COBRA continuation period may be extended to 29 months if you or a family member (who is a qualified beneficiary) is disabled according to Social Security at the time of one of the above qualifying events. This 11-month extension is available to all qualified beneficiaries who lose coverage due to termination of employment or a reduction of hours.

Covered family members have the right to choose COBRA continuation coverage for up to 36 months if coverage is lost for any of these qualifying events:

- Death of the employee
- Divorce or legal separation of the employee and spouse or dissolution of the domestic partnership.
- A child loses coverage (turns 26)

The Life and disability plans have conversion options.

As an alternative to COBRA, you may choose an individual medical plan through the health insurance exchange. Depending on your income and the number of dependents you cover, you may find a plan on the exchange that fits your coverage needs. Please note that if you enroll on an exchange plan, you will not be eligible for coverage on a City retiree medical plan in the future. More information at www.wahealthplanfinder.org.

When you are eligible to retire, you will receive a packet of information about the City's retiree medical plans at your Retirement Office appointment. If you want to participate in a retiree medical plan instead of COBRA or a Health Insurance Exchange plan, be aware that you must choose a plan **at least 30 days before you retire**. In some cases, you can delay your enrollment in a City retiree medical plan if you are covered under another employer's plan. Contact the Benefits Unit at Benefits.Unit@seattle.gov for more information about the plans.

Paying for Benefits

Your Payroll Deductions

See page 30 for medical premiums

Medical, Dental and Vision

If you elect medical coverage, the City of Seattle pays most of the premium for you and your eligible, enrolled family members. The amount you pay depends on which plan you select and whether you cover a spouse or domestic partner.

Medical premiums are deducted each month on a pre-tax basis. (Premium amounts paid for a domestic partner cannot be taken on a pre-tax basis if your partner is not a dependent on your IRS tax form.)

Your share of the cost for your medical premium is taken in equal amounts from the first and second paychecks of the month during the month of coverage on a pre-tax basis. For example, premium deductions taken from your March paychecks provide for March coverage.

Dental and Vision plans are fully paid by the City for most employees.

Life Insurance

Your basic and supplemental life insurance after-tax premium deductions are taken from your second paycheck of the month for the next month's coverage.

Supplemental Long-Term Disability

Your Supplemental LTD after-tax premium deduction is taken from your second paycheck of the month for the next month's coverage. The amount you pay for Supplemental LTD coverage may vary each month because it is a percentage of your monthly earnings.

Accidental Death and Dismemberment

Your AD&D after-tax premium deduction is taken from your first paycheck of the month for that month's coverage.

Flexible Spending Accounts (Health Care & Day Care)

Your FSA pre-tax deduction is taken in equal amounts from your first and second paychecks each month.

Benefits and Financial Planning

Because everyone's medical and financial situations are different, the City offers a variety of plans to help protect employees and their families from the financial hardship that unusual medical expenses can bring. The plans are designed to cover much of the cost of medically necessary health care services. However, employees still bear a portion of their medical service costs in the form of premiums, deductibles, copayments and coinsurance.

Since health care costs may be unanticipated, it makes sense to plan in advance and save for your out-of-pocket costs. If you can accurately anticipate some medical, dental and/or vision expenses for the following year – such as prescriptions, glasses, orthodontia, office visit copays and deductibles. The Health Care FSA is a tool to support your financial planning and maximize the value you get for dollars spent on health care. You can elect the Health Care FSA during Open Enrollment to set aside pre-tax dollars to pay for eligible out-of-pocket medical expenses for you and your family. Here are additional ways to cut costs and save money.

- Quit smoking and encourage your family to quit. Enroll in the City's free tobacco cessation program by calling Quit for Life at 1-866-QUIT-4-LIFE (1-866-784-8454). Your adult family members with City medical coverage may enroll.
- Be more active and eat nutrient dense food. Many diseases and conditions are preventable, and healthy behavior reduces your future health care costs and enhances your life now.
- Go to check ups and screenings. Have regularly scheduled physical examinations by your doctor, dentist, eye doctor and so on. Take advantage of free medical screenings, flu shots and go to the City's wellness and benefits fairs.
- Choose the best health plan for you and your family. There is more to selecting a good health plan *than just the payroll deduction*. If you are shopping for a health plan, compare the premiums along with what is and is not covered by the various plans.
- Stay within the network. Look for doctors and health care providers that are within the plan's network.
- Review medical bills carefully. Billing errors can cost you hundreds or even thousands of dollars. Contact the billing office if there is an error or you do not understand your bill. You may be able to negotiate fees and bills that you feel are too high.

Medical Plan Options

Medical Plans

The City offers six different medical plans:

- Aetna Preventive Plan – Local 77
- Aetna Traditional Plan – Local 77
- Kaiser Permanente Plan – Local 77

- Aetna Preventive Plan – Most/Local 77
- Aetna Traditional Plan – Most/Local 77
- Kaiser Permanente Plan – Most/Local 77

How to Choose a Medical Plan

Plan features, coverages and costs vary. The City's plans with Aetna offer an extensive choice of doctors; coverage is higher if you use doctors in the Aetna network. The Kaiser Permanente plan requires that you use their network of doctors, clinics, hospitals, and pharmacies, but offer a higher level of coverage.

When making your decisions, you should consider cost, choice, and coverage. Do you want a plan that allows you to choose any doctor, hospital or clinic (Aetna plans) or are you willing to stay within a network (Kaiser Permanente) and receive a higher level of coverage?

The following very brief plan descriptions may help you make these choices.

New Employees: Remember - You have 30 days from your hire date to enroll in the medical, dental, vision and most optional insurance plans.

Medical Plan Options

<p>Aetna</p>	<p>The City has a Preventive and Traditional plan with Aetna. The plans use the Aetna provider network, and Aetna administers the claims. See high level comparisons on pages 14 (Local 77) and 15 (Most/Local 77) and the detailed comparisons on pages 16-21 (Local 77) and 22-29 (Most/Local 77).</p>
<p>What If I Don't Use the Aetna Network?</p>	<p>If you choose a provider who is not in the network, you will pay a higher percentage of the visit cost. Prices charged by a non-network provider also are often higher than those charged by a network provider. If you use a non-network provider, you will pay 30-40% of the network service cost, and your doctor may charge you an additional amount above the network price.</p>
<p>Aetna's Aexcel Network – Most/Local 77 Plans <u>Only</u></p>	<p>Aetna has a special sub-network for the Most/Local 77 Plans, called the Aexcel network, which consists of doctors who specialize in such areas as cardiology, cardiothoracic surgery, gastroenterology, general surgery and obstetrics/ gynecology.</p> <p>Doctors were selected for this special network because they meet screening criteria in the areas of experience, performance, effectiveness and efficiency. If you need care in one of these areas and you do not choose a doctor from the Aexcel network to provide that care, you will pay 10% higher coinsurance. You do not need a referral to see a specialist.</p>
<p>Aetna.com</p>	<p>Locate detailed claim information, review your benefits, request changes, find service providers, and email member services at Aetna.com.</p>
<p>Simple Steps to a Healthier Life</p>	<p>Members have access to a health risk assessment – <i>Simple Steps to a Healthier Life</i>. Following completion of a questionnaire, you will receive a health report and a personal action plan along with access to healthy living programs.</p>
<p>Urgent Care</p>	<p>Log in to your account at Aetna.com. Select the Urgent Care tab for a list of walk-in clinics near you.</p>

Medical Plan Options

<p>Kaiser Permanente</p>	<p>Kaiser Permanente is a health maintenance organization which provides an integrated system of health care services. All services are delivered within Kaiser Permanente facilities or its contracted network providers. You must use Kaiser Permanente contracted providers and facilities unless a doctor refers you elsewhere. You do not need a physician’s referral to see most Kaiser Permanente specialists.</p>
<p>Kaiser Permanente Standard Plan</p>	<p>The City offers two plans through Kaiser Permanente.</p> <p>This is a health maintenance organization plan with no deductible and an office copay of \$15. Most services are covered at 100% after payment of a copay. Preventive care is covered.</p>
<p>Kaiser Permanente Deductible Plan</p>	<p>This is a health maintenance organization plan with a \$200 annual deductible per person (\$600 per family) and a \$15 office copay. The deductible does not apply to ambulance service, prescription drugs, durable medical equipment, and preventive visits (preventive visits do have a copay). After the deductible is satisfied, most services are covered at 100% after the copayment.</p> <p>The health care website is at KP.org/wa. Members can request appointments and exchange emails with their provider, view their online medical record, refill prescriptions online, and view lab and test reports. The provider and facilitator directory, and drug formulary are all accessible online. In addition, a mobile application is available for use with most cell phones.</p>
<p>Health Profile</p>	<p>The plan has a health risk assessment called <i>Health Profile</i>. Members complete the profile online and receive a report and personalized action plan. Free healthy lifestyle coaching is available.</p>
<p>Care Chat and Online Visits</p>	<p>Care Chat is a free online messaging feature that lets you get real-time care from a provider. Access through your account at kp.org/wa. Online visits are available for common medical issues such as a cold or the flu. Visit KP.org/wa/onlinevisit.</p>

Enrolling Spouse/DP

To cover a spouse or domestic partner (and tax dependents of your domestic partner), you must complete a Benefit Election form and an Affidavit of Marriage/ Domestic Partnership.

Spouse/DP/ Dependents Who are IRS Tax Dependents

If they are IRS tax dependents, the rate information on the previous page applies. If you enroll your domestic partner and your domestic partner’s children, you will be taxed on the value of their medical coverage if they are not your tax dependents. (The value of the benefits will be imputed to your gross income.)

If you choose to cover a domestic partner **who is not your IRS tax dependent**, the portion of the premium deducted from your paycheck (your contribution) that pays for his/her coverage must be taken “after tax” to comply with IRS regulations. The column headed “**Monthly Premium Contributions Taken After Taxes**” shows the portion of your monthly premium contribution that will be deducted from your paycheck after taxes are calculated.

Imputed Income for Value of Health Coverage

In addition, if your domestic partner or your partner’s non-IRS tax dependent’s children do not qualify as your IRS tax dependents, you will be taxed on the City-paid **value** of their medical, dental and vision coverage as required by IRS regulations. The following amounts will be listed on your paycheck as taxable income each month and are subject to federal income and Social Security tax withholding. These values have been adjusted to reflect the premium amounts taken after-tax so you are not taxed twice.

Domestic Partner Coverage Information

If your domestic partner or your partner’s non-IRS tax dependent’s children do not qualify as your IRS tax dependents, the following amounts will be listed on your paycheck as taxable income each month and are subject to federal income and Social Security tax withholding. Prescription Drug Coverage

Aetna Plans

Aetna classifies medications into three tiers:

- Generic
- Preferred brand-name
- Non-preferred brand-name

Kaiser Permanente uses two classifications:

- Generic
- Preferred brand-name (no coverage for non-preferred brands)

The Aetna formulary is *Premier Plus Plans*. This formulary provides a list of drugs covered under your plan. You can search for specific drugs at: <https://www.aetna.com/individuals-families/find-a-medication.html>.

Present your medical plan ID card at any Aetna network retail pharmacy. Prescriptions filled at a non-network pharmacy will not be covered. You may contact the toll-free Member Services number on the back of your ID card to find a participating pharmacy, or check the website Aetna.com

Kaiser Permanente Plans

If you access care at a Bartell CareClinic and are prescribed a medication which is filled by that store's pharmacy, your prescription copays would apply for the initial script. Any refills of that medication would need to be through a Kaiser Permanente facility or mail-order pharmacy.

The Kaiser Permanente formulary is the *Drug Formulary for Large Employers 1- or 2-Tier In-Network Pharmacy Benefit*. The formulary provides a list of drugs covered under your plan. You can search for specific drugs at wa.kaiserpermanente.org/html/public/pharmacy/drug-formulary.

See next page for more detailed information about prescription drug coverage.

Dental Plan Options

There are two dental plans: Delta Dental of Washington (DDWA) and Dental Health Services (DHS).

Delta Dental of Washington

If you select DDWA, you can receive services from any dentist, but your out-of-pocket expenses may be lower if you choose a dentist who belongs to the DDWA network. To locate a DDWA network provider, search <https://www.deltadental.com/us/en/find-a-dentist.html>. For claim issues or appeals, please call (206) 522-2300 or 1-800-554-1907.

Selecting an in-network DDWA dentist means:

- The portion of the dental bill you pay is smaller than if you use a non-network dentist.
- You do not need to submit a claim - the dentist's office will submit the claim form.
- After you pay your portion of the bill, you will not be balance-billed more for a covered service. (*A non-DDWA dentist may bill you for the portion of the bill that DDWA does not cover*).

Payment of Routine Care Benefits

The DDWA Incentive program is designed to promote regular dental care by increasing from one incentive period to the next, the amount paid for preventive care and regular visits. During the first incentive period, the payment level for covered and allowable Preventive and Diagnostic (routine care) benefits will be 70 percent even if you had DDWA coverage through a previous employer. This payment level increases by 10 percent — up to a maximum of 100 percent — each successive incentive period in which routine care benefits are used at least once by the eligible person(s). If the once-a-year visit is missed, the payment level will be decreased by 10 percent for each period during which routine care benefits are not used. In no event will the payment level be less than 70 percent.

Orthodontia (children only, up to age 26)

Pre-treatment estimates are recommended. The orthodontia benefit is paid at a 50% level to a lifetime maximum of \$1,500 for each eligible child. **NOTE:** for children who are already in treatment when joining the City's DDWA plan, DDWA will prorate claim payment(s) based on the original banding date and remaining balance. The dental office needs to contact DDWA customer service for patient-specific details.

Plan Ahead

Use your health care Flexible Spending Account to pay your portion of orthodontia with pretax dollars.

Dental Plan Options

ID Cards

Delta Dental of Washington (continued)

You will receive your DDWA ID card about 2 weeks following your dental plan selection. However, a card is not needed to access care – simply let your provider know you are covered under a City of Seattle plan, and they will ask you some information to identify you and confirm your benefits and eligibility. You can also set up your online account or Go Mobile at <https://www.deltadentalwa.com/>.

Dental Plan Options

Dental Health Services

If you select DHS, you can only receive services from an in-network dentist or dental practice – there is no out-of-network benefit available. In some instances, the DHS plan may provide a greater benefit for services received than DDWA but, the list of in-network dentists and clinics is much smaller than DDWA and you **must see** an in-network, DHS-participating dentist or clinic for services to be covered.

Selecting a DHS dentist means:

- There are no deductibles and no annual maximums
- There are no incentive-level services

To begin, visit: <http://www.dentalhealthservices.com/> and click “Plan Members” – from here, you will be able to:

- Search for a DHS dentist/clinic and to set up your online account.
- If you provided a personal email to the City during your on-boarding, that address is on file with DHS and should be used on the **Register Member** screen when setting up your account.
- If your personal email wasn’t provided or doesn’t work on the **Register Member** screen, contact DHS directly at (206) 849-7100 to request your Member Number.

Accessing Care

(Notify DHS once you’ve selected your care provider)

Payment of Basic Services

This plan has an office visit copay of \$5 for all employees for the first 3 years of employment. There are also copays for selected services. The plan comparison on the next page lists services and copay requirements.

Orthodontia

DHS offers both child and adult (age 25 and over) orthodontia. Orthodontia charges include: a copayment of \$400, a \$150 charge for the initial exam, study models and X-rays. **NOTE:** for members who are already in treatment when joining the City’s DHS plan, there is **no** transition of care; the orthodontia benefit is available for new patients only.

Plan Ahead

Use your health care Flexible Spending Account to pay your portion of orthodontia with pretax dollars.

ID Cards

You will receive your DHS ID card about 2 weeks following your dental plan selection.

Optional Insurance

Optional Insurance Choices

The following is a list of your optional insurance choices. The City offers paid Basic Long-Term Disability Insurance and shares the cost of Basic Life Insurance with you. Accidental Death & Dismemberment premiums are paid in full by the employee. You can purchase additional insurance coverage within 30 days of your hire date, during Open Enrollment or within 30 days of a qualifying change in family status. (Family status change enrollment not applicable to Supplemental LTD.)

- Supplemental Long-Term Disability insurance for yourself
- Life insurance for yourself and family members
- Accidental Death and Dismemberment (AD&D) insurance for yourself and family members

Long-Term Disability (LTD) Insurance

Long-term Disability insurance is designed to pay a monthly benefit to you in the event you cannot work because of a covered illness or injury. This benefit replaces a portion of your income, thus helping you to meet your financial commitments in a time of need and providing you peace of mind in knowing that a step has been taken toward securing your income during a period of disability.

Basic vs. Supplemental LTD

The **Basic** LTD plan is fully paid by the City and provides a 'basic' level of LTD coverage. The **Supplemental** LTD plan is *optional* and premium is shared between the employee and the City. The Supplemental plan provides a higher level of coverage than the Basic plan.

If you are not certain that you need Supplemental LTD coverage, consider if you will be able to meet your financial obligations if you become disabled. The risk of disability may be greater than you might think. Recent statistics have shown:

- Over half of Americans are financially unprepared for a period of disability (*Source: Social Security Administration, Facts*)
- Less than 5 percent of disabling accidents and illnesses are work related (*Source: Council for Disability Awareness LTD Claims Review*)
- 52% of adults have no savings earmarked for emergencies (*Source: US Federal Reserve Board, Report on Economic Well-being*)

Do I need Supplemental LTD?

Helping you decide. Each person has a unique set of circumstances and financial needs. To assess whether you need Supplemental LTD coverage, go to www.thehartford.com/benefits/cityofseattle.

Please note the below information is only plan highlights. For specific LTD benefit details, refer to the Certificate of Coverage.

Coverage Effective Date

Coverage for **Basic LTD** is automatic – enrollment will be processed by your department's Benefit Representative. To be covered under the **Supplemental LTD**, you must enroll within your first 30 days of becoming eligible (either from your date of hire or 30 days from the day you move into a benefits-eligible position).

Optional Insurance – Long-Term Disability

If initially waived, delayed enrollment is allowed during a subsequent Open Enrollment period. *See the Certificate of Coverage for details regarding the Exclusion Period.*

Your monthly LTD benefit is a percentage of your insured monthly pre-disability earnings less any deductible income (i.e. City paid sick time, Social Security, Worker’s Compensation, etc.).

Benefit Amount

	Basic LTD	Supplemental LTD
Percentage of monthly pre-disability earnings	60%	60%
Maximum monthly benefit	\$400	\$5,000
Minimum monthly benefit	\$100	\$100

Below is an example comparing the LTD benefit under both plans:

	Basic LTD	Supplemental LTD
Enter monthly earnings	(1) \$ 667 <i>Note: if monthly earnings exceed \$667, enter \$667 above</i>	\$ 7,300 <i>Note: if monthly earnings exceed \$8,333, enter \$8,333 above</i>
Percentage of earnings	60%	60%
Multiply amount on Line 1 by percentage on line 2 – this is your monthly LTD benefit	\$667 x 60% = \$400	\$7,300 x 60% = \$4,380

Premium Amount

The Basic LTD plan premium is paid by the City. If you elect the Supplemental plan, your monthly rate is calculated as below:

- Determine your base monthly earnings (up to \$8,333) and subtract \$667 (the amount of the basic plan paid by the City). Multiply that number by .00384 – this is your monthly rate that will be deducted after-tax on the second paycheck of each month.
- In the above table example: \$7,300 - \$667 = \$6,633, multiplied by .00384 = \$25.47 per month.

Note: since premiums for Basic LTD are paid by the City, and the employee’s portion of the Buy-up LTD premium share are deducted after-tax, paid LTD benefits are partially tax-free.

If a claim for LTD benefits is approved by The Hartford, benefits become payable **after** the benefit waiting period. This is the specified number of days during which you must remain continuously disabled. Benefits are not payable during the waiting period.

Optional Insurance – Long-Term Disability

When Am I Considered Disabled

During the Benefit Waiting Period (see below), you are considered disabled if, as a result of a physical disease, injury, pregnancy or mental disorder, you are unable to perform with reasonable continuity the material duties of your Own Occupation.

Waiting Period

Benefit Waiting Period: The Benefit waiting period for both Basic and Supplemental LTD is 90 days. See the Certificate of Coverage for more detailed information.

Maximum Benefit Period: If you become disabled before age 62, LTD benefits may continue during disability until age 65 or until Social Securing Normal Retirement Age (SSNRA) or 3 years 6 months, whichever is longer. Otherwise, the maximum benefit period for both Basic and Supplemental LTD is in the chart below, age-graded to SSNRA:

Limitations

Age at Time of Disability	Maximum Benefit Period
62	To SSNRA or 48 months, if greater
63	To SSNRA or 42 months, if greater
64	36 months
65	30 months
66	27 months
67	24 months
68	21 months
69 or older at time of disability	18 months

A disability that results from a pre-existing condition for which you receive medical treatment 3 months prior to your coverage effective date will not be covered unless you have been insured for 12 months. The pre-existing condition limitation applies if you elect coverage now or during a future Open Enrollment.

LTD benefits are not payable unless you are under the care of a physician. See the Certificate of Coverage for additional limitations.

When Benefits End

LTD Benefits end automatically on the earliest of:

- The date you are no longer disabled
- The date your maximum benefit period ends
- The date you die
- The date benefits become payable under any other LTD disability insurance plan under which you become insured through employment during a period of temporary recovery

Optional Insurance – Group Term Life

Group Term Life (GTL) Insurance

Your life insurance is issued by Securian Life Insurance Company, an affiliate of Securian Financial Group, Inc. (Securian Financial). The City provides two levels of optional Term Life Insurance: Basic and Supplemental. The City and you pay for Basic Life Insurance; you pay the full cost for Supplemental Life Insurance. You can sign up for Group Term Life Insurance within 30 days of your hire date, during an Open Enrollment period, or within 30 days of a qualifying change in family status. For more information, please refer to the Certificate of Coverage.

Basic Life Insurance

This optional coverage provides you with two options of Term Life Insurance benefit amounts. The first option is equal to one-and-a-half times your annual salary and the second option is a flat \$50,000. The City contributes 40% of the cost and you pay the remaining 60% of the cost. Within the coverage amount guidelines shown below, you select the option of basic Life insurance for which you are interested in applying. A table with information regarding the monthly cost of Basic Term Life Insurance follows.

	Minimum	Maximum*
Option A	1.5 times your annual salary, rounded to the next higher multiple of \$1,000, if not already a multiple of \$1,000	\$2,500,000 when combined with supplemental life insurance
Option B	\$50,000	\$50,000

* IRS rules state that the value of Basic Life Insurance over \$50,000, which is paid for by the City, is taxable. You may limit your Basic Term Life Insurance coverage amount to \$50,000 to avoid the additional taxes. The amount on which you pay taxes will be shown on your second paycheck each month.

If you sign up for Basic Term Life Insurance as a new employee, you are guaranteed coverage up to \$1,000,000 when combined with supplemental life insurance. However, if you sign up for it later during an Open Enrollment period, you will be required to complete an online [Evidence of Insurability](#) form (medical history statement). See the online submittal instructions [here](#). It must be approved by Securian Financial before your life insurance takes effect.

If you have a qualified Family Status change during the year, you may newly elect or increase your basic group term life insurance 1.5 times your annual salary to \$50,000 without Evidence of Insurability. Any amount over \$50,000 would require EOI.

Optional Insurance – Group Term Life

Coverage Amount Needed

Find the life insurance amount that's right for you and your family. Choosing the right insurance coverage can be overwhelming. Use Securian Financial's online benefits decision tool, Benefit Scout, to help you and your family make your insurance elections with confidence. Get started by going to Lifebenefits.com/Seattle.

How Much Will Coverage Cost?

Your coverage amount is equal to your annual salary, rounded up to the next \$1,000 increment, multiplied by 1.5. Your monthly premium equals \$0.045 times each \$1,000 of coverage.

To calculate your basic Life insurance, use the following table:

1. Annual Salary = Line 1	Line 1: _____
2. Round Up Line 1 to nearest \$1,000 = Line 2	Line 2: _____
3. Multiply Line 2 by 1.5 = Line 3	Coverage Amount Line 3: _____
4. Divide Line 3 by \$1,000 = Line 4	Line 4: _____
5. Multiply Line 4 by the plan rate of 0.045 = Line 5	Monthly Premium Line 5: _____

For example, if your annual salary is \$78,600 per year, round it up to \$79,000. To determine your coverage amount, multiply \$79,000 by 1.5 = \$118,500. \$118,500 is your coverage amount. Divide your coverage amount by \$1,000 ($\$118,500 / \$1,000 = 118.50$). Multiply 118.50 by the plan rate of 0.045 ($118.50 \times 0.045 = \$5.33$) Your premium is \$5.33 per month.

Optional Insurance – Group Term Life

Supplemental Group Term Life Insurance

The City offers an additional life insurance option—Supplemental Group Term Life (GTL). If you are enrolled in Basic GTL, you may purchase Supplemental GTL for yourself and your eligible family members: spouse/domestic partner (DP) and/or children to age 26.

Coverage amount guidelines shown in the below chart:

	Minimum	Incremental Amount	Guaranteed Issue (GI)*	Maximum
Employee	\$5,000	\$5,000	The lesser of 4x your annual salary rounded to next lower \$5,000 or \$1 million when combined with basic life insurance.	The lesser of 4x your annual salary, rounded down to the next lower \$5,000, or \$2,500,000 when combined with basic life insurance
Spouse/DP			\$50,000	\$500,000 - Not to exceed 100% of employee basic and supplemental life combined
Child/Children (up to age 26)	\$2,000, \$5,000 or \$10,000			

* Refer to the Certificate of Coverage for specific details on Guaranteed Issue and coverage limits.

Please contact your Benefits Representative within 30 days of a salary increase if enrolled in the Maximum Supplemental Life amount and want to increase.

- You must be a Regular employee
- You must elect or be enrolled in Basic GTL
- You are guaranteed coverage (at the GI level stated in the above chart) if enrolling within 30 days of first becoming eligible. However, if you sign up for it later during an Open Enrollment period, you will be required to complete an online [Evidence of Insurability](#) form (medical history statement). See the online submittal instructions [here](#). It must be approved by Securian Financial before your life insurance takes effect.

If you have a Family Status change during the year, you may newly elect or increase your Supplemental life insurance by up to \$50,000 as long as the combined amount (Basic and Supplemental Life) does not exceed \$1 million.

Premium Cost

You pay the entire premium for Supplemental Term Life Insurance coverage and, for your family members to have coverage, you must first enroll yourself in Basic Life Insurance.

Costs for Supplemental Term Life Insurance for you and your spouse/domestic partner are based on **your** age (employee's age). Costs for covering eligible children are fixed and the monthly premium is the same regardless of how many children you cover.

The following tables show the cost of supplemental GTL insurance:

Optional Insurance – AD&D

AD&D

To supplement your Basic and Supplemental Life Insurance, you may purchase Accidental Death and Dismemberment (AD&D) Insurance for yourself, spouse/domestic partner and/or children. AD&D Insurance pays a death benefit (principal sum or full insurance amount) if the insured person dies due to a covered accident; it also pays a percentage of the death benefit if the covered person loses a limb(s), sight, speech, hearing or becomes paralyzed. For example, a person who is covered by AD&D Insurance would receive 50% of the principal sum (full insurance amount) if he/she lost a limb from an injury relating to a covered accident.

You can cover yourself in \$25,000 increments up to \$500,000. The amount of coverage for your family members is a percentage of your coverage amount. For example, John Smith has "Employee and Family" coverage for himself and his two children (no spouse). If one of his children dies, he receives a payout of 20% of the principal sum. If John had a spouse, he would receive 15% of the principal sum if his child were to die. Charts showing costs and payout percentages can be found on the next page.

How to Decide if You Need AD&D

If you don't have life insurance or other insurance plans to cover your family if something should happen to you, you may consider purchasing AD&D coverage.

New Employees: Remember - You have 30 days from your hire date to enroll in the medical, dental, vision and optional insurance plans.

Optional Insurance - Flexible Spending Accounts

Flexible Spending Accounts

The City's Flexible Spending Account (FSA) Plans are administered by Navia Benefit Solutions. The FSAs allow you to set aside pre-tax dollars from your paycheck (\$120 annual minimum, \$2,750 annual maximum for Health Care FSA plan or \$5,000 for Day Care FSA plan) to pay for eligible expenses not covered through other benefit programs. When you put money into an FSA, you do not pay federal or Social Security taxes on it. As a result, your taxable income is reduced and your taxes are lower.

You can enroll in the flexible spending accounts either: (1) within 30 days of your hire date through Employee Self-Service, (2) during an Open Enrollment period, or (3) within 30 days of a qualifying change in family status. **To continue participating, you must re-enroll each year during open enrollment.**

There are two types of FSA Plans:

Health Care FSA Account

Health Care FSA – allows you to set aside money (\$2,750 annual maximum per employee) to pay for eligible expenses not covered by your health plans (e.g., deductibles, copays, or expenses for orthodontia that exceed the plan maximum). Health care premiums are not eligible expenses because they are already deducted from your paycheck on a pre-tax basis. You must submit receipts for reimbursement by March 31 of the following year. Find eligible expenses at www.naviabenefits.com.

The regular carry over up to \$550 of unused health care FSA funds into the following plan year will not apply this year. All unclaimed 2021 Health Care FSA account balances will be carried over to 2022 accounts by the end of January by Navia Benefit Solutions. If you don't elect a 2022 Health Care FSA, 2021 account balances under \$120 will be forfeited.

Day Care FSA Account

Day Care FSA – allows you to set aside money on a pre-tax basis to pay for eligible day care expenses for your child, disabled spouse, or tax dependent parent (or anyone who qualifies as a dependent on your IRS tax form) while you and your spouse/domestic partner work or seek employment, or if your spouse who does not work becomes a full-time student (\$5,000 annual maximum per household).

All unclaimed 2021 Day Care FSA account balances will be carried over to 2022 accounts by the end of January by Navia Benefit Solutions. If you don't elect a 2022 Day Care FSA, 2021 account balances under \$120 will be forfeited.

Examples of Qualifying Life Events (not all-inclusive)

Contact the Benefits Unit if you have any questions

If you experience a qualifying life event as described below, contact the Benefits Unit at Benefits.Unit@seattle.gov within 30 days of the event to see if you're eligible to make a change to your Health or Day Care FSA.

- Return to work from a Leave of Absence (*Note: returning from Leave is the qualifying event for birth or adoption and marks the 30-day window to elect Dependent Care FSA*)
- Change in legal marital status, which changes the number of your eligible dependents (marriage, divorce, etc.)
- Birth of a child, adoption of an eligible child or placement for adoption, or death of a dependent
- Change in employment status for you or your spouse/domestic partner which affects your day care needs
- Day care need change. Examples include child reaching maximum age of 13, change in daycare cost and/or coverage, or change of care provider

Set up Your Online Account

As you incur eligible expenses, you submit bills and receipts, and receive reimbursement up to the amount you elect to have withheld from your paychecks throughout the year. Create your online account using your personal email address and the **Company Code: CS1**, shop the FSA store, submit a claim for reimbursement, manage your Navia Benefit Card, and more at www.naviabenefits.com. For claim issues or appeals, please call (206) 425-452-3500 or 1-800-669-3539. Find eligible expenses at www.naviabenefits.com.

Vacation

You earn vacation based on the number of hours you work regular (non-overtime) hours. You accumulate vacation based on a maximum of 80 hours per pay period. (See the vacation accrual chart below.) Approximately 2,088 hours of regular pay status equal one year of full-time employment. Your vacation accrual rate is 12 days per year for your first four years of service. The accrual rate gradually increases to 20 days per year after 20 years of service with an additional day per year of service thereafter to a maximum of 30 days.

You can accumulate two times your annual vacation without penalty. The amount of vacation you have earned and not used is shown on your biweekly paycheck. You may also view this information on [Employee Self-Service](#).

Follow your department's protocol for requesting and taking vacation.

Your unused vacation balance will be cashed out when you leave City employment, unless your union has elected to participate in VEBA or you are eligible to defer your vacation leave into Deferred Compensation. Check with your HR representative.

Represented Employees - see your collective bargaining agreements for provisions regarding leave policies.

If any of this information differs from the union bargaining agreement, the bargaining agreement prevails.

Leave Policies

Sick Leave

Sick leave is a program that pays your wages if you must be absent from work because of your own medical appointments, personal illness, injury or disability which makes you temporarily unable to perform your job or when you are absent because of medical appointments, illness, injury or disability of your spouse or domestic partner, parent, grandparent, sibling, grandchild or dependent child. Sick leave may also be requested for the non-medical care of a newborn or child recently placed for adoption, foster care or legal guardianship, closure of your worksite or your child's school or place of care by a public health official and for reasons related to domestic violence, sexual assault or stalking. You are eligible to use available sick leave hours after 30 days of employment.

All regularly appointed full-time employees accumulate 12 days or 96 hours of sick leave per calendar year, at the rate of .046 hours per hour on regular pay status. If you are absent more than four consecutive workdays, you must submit medical documentation to verify your absence. You may also need to provide return to work certification. When you retire through the City of Seattle Retirement System you are eligible to receive a cash equivalent of 25 percent of unused sick leave hours, unless your union has elected to participate in VEBA or you are eligible to defer your sick leave into Deferred Compensation. Check with your HR representative.

Sick Leave Transfer

For more information on sick leave transfer, see Personnel Rule 7.7.5 and your department's policies.

The City has a sick leave transfer program. You may request to receive up to 560 hours of donated sick leave for any single qualifying incident from other employees if you meet all of the following conditions:

- You have exhausted, or will exhaust in the current pay period, your paid leave balances due to a personal illness, injury, impairment, or physical or mental condition which is likely to cause you to go on leave without pay, or to leave City employment.
- You provide a medical certification from your health care provider verifying the nature and expected duration of your condition and the need to be off work.
- You have used your sick leave balance judiciously.
- You are not eligible for benefits under SMC Chapter 4.44 or under the State Industrial Insurance and Medical Aid Acts.

You may also donate 8 or more sick leave hours to an approved recipient employee provided the donation will not cause your sick leave balance to fall below 240 hours.

Leave Policies

Holidays

To qualify for a paid holiday, you must be on regular pay status either the day before or the day after the observed holiday. For more information regarding holiday leave policies, consult Personnel Rule 7.6 at seattle.gov/human-resources/rules-and-resources/personnel-rules and any applicable union contract.

Emergency Day

Some union agreements provide for an emergency day. This is a day to take care of an urgent personal situation. Check your collective bargaining agreement for more information.

Leave Policies

Floating Holidays

You will be credited with two floating (personal) holidays on January 1 of each year. Individuals with ten or more years of service credit receive four personal floating holidays. You may take them in full-day increments at any time with supervisory approval. Personal holidays cannot be carried over from year to year nor can they be cashed out at the end of the year. Use them or lose them!

Employees who work a 4/10 or 9/80 schedule receive eight hours pay per holiday. They must cover the difference with vacation or compensatory time, take it without pay or work flex hours. For more information, see the [Personnel Rules](http://seattle.gov/human-resources/rules-and-resources/personnel-rules) at seattle.gov/human-resources/rules-and-resources/personnel-rules. Represented employees should also see their collective bargaining agreements for provisions covering personal holidays.

Bereavement Leave

All employees, including temporary employees, are entitled to 5 days of paid time off for bereavement purposes due to the passing of a close relative. With supervisory approval, you may take vacation or discretionary time off not to exceed 5 days to mourn the death of a "relative other than a close relative" such as an aunt, friend, co-worker or other individual who is not a close relative.

Family and Medical Leave

The City provides up to 90 calendar days of unpaid Family and Medical Leave per rolling 12-month calendar year. Hours are pro-rated for part-time employees. Employees are eligible to use the leave after six months of employment. Eligible employees can elect to utilize their accrued paid leave such as vacation, sick leave, floating holiday, etc. during an approved City FML leave period. City FML leave is a protected leave, allowing for job restoration, continued health insurance benefits and protection against retaliation.

When you use Family and Medical Leave for the non-medical care of your newborn child or for a child who has been placed with you for foster care or adoption, you must provide 30 days' advance notification, when possible. Any use of intermittent Family and Medical Leave for the non-medical care of your new child must be by mutual agreement between you and your supervisor. You must submit a record of birth or placement attesting to the date of the child's birth or placement with you.

When you use Family and Medical Leave for your own serious health condition or to care for the serious health condition of an eligible family member, you must provide as much notification as possible. You must also submit your health care provider's certification of a serious health condition.

Leave Policies

Additionally, if you are taking Family and Medical Leave for your own serious health condition you will need your health care provider's release to return to work. To apply for this leave, please contact your [department's leave & ADA coordinator](#).

Jury Duty

If you serve on jury duty during normal work hours, you will be paid your regular straight-time pay upon surrendering to the City any compensation you receive from the Court, less transportation allowance.

Military Leave

The City offers the following paid and unpaid leave programs for employees needing to time off work due to military events:

- **Paid Military Leave:** The City provides up to 21 working days, exclusive of normal days off, of paid leave per fiscal year (October – September) without loss of service credit for employees who are members of the US armed forces, National Guard, or reserves, and need leave in order to report for required military duty, training or drills. This leave provides employees with their City pay and benefits at the same payrate and under the same conditions as if they were at work.
- **Military Leave of Absence (LOA):** Unpaid Military Leave of Absence provides employees an unpaid leave of absence to enter active duty for the United States Military. It also guarantees a return to their position upon release from active duty, provided they meet the set criteria.
- **Military Spouse Leave of Absence (Spouse LOA):** Refers to a 15-day unpaid leave provided to employees whose spouse is a member of the Armed Forces, National Guard, or Reserves and who has been notified of an impending call or order to active duty and before deployment, or whose military spouse is on leave from deployment.
- **Family Medical Leave (FML) Military Exigency:** Eligible employees are granted up to 90 days (13 weeks) of unpaid, job-protected Family and Medical Leave in a 12-month rolling period for a "qualifying exigency" arising out of a foreign deployment of the employee's spouse, parent, son or daughter.
- **Family Medical Leave (FML) Military Caregiver Leave:** Employees are granted up to 26 weeks of unpaid, job-protected Family and Medical Leave in a 12-month rolling period to care for their spouse, parent, child, or next of kin of a covered military servicemember with a serious injury or illness. Covered military members may be either a current servicemember or a veteran of the armed forces.

<p>Paid Family Care Leave</p>	<p>The City provides eligible employees up to four weeks (160 hours) of paid leave to care for a qualifying family member with a serious health condition under an approved Family and Medical Leave.,. <p>Sabbatical Leave</p>	<p>You may be eligible to request an unpaid sabbatical leave of absence of up to 12 months after completing the equivalent of seven years of continuous full-time regular City employment. A sabbatical leave differs from a personal leave of absence in that returning to your job is guaranteed. (This guarantee is no greater than if you were not on leave.) In addition, you will receive health care benefits at the rate of one month of coverage for every year of completed employment, to a maximum of 12 months. You may also cash out any unused sick leave over 240 hours at 25% of its current value.</p> <p>For additional information, go to the Personnel Rules at seattle.gov/human-resources/rules-and-resources/personnel-rules.</p> <p>To apply for any of these leave programs, please contact your department's leave & ADA coordinator.</p>

For example, the Aetna Open Choice Traditional Plan pays 80% of most covered expenses while the employee pays the remaining 20% of covered expenses once the deductible has been met.

Deductible	The amount of covered expenses that must be incurred before benefits are paid by the Plan. The deductible is set on an annual basis and there are individual and family deductibles.

Non-network Provider	A provider who has not signed a contract with a health plan. Also known as a non-preferred provider.
