Eligibility and Coverage Information

New Employee Enrollment

If you are a new employee, you must enroll in/apply for medical, dental, vision, life, AD&D, and/or supplemental LTD coverage **within 30 days of your hire date**. You have two enrollment options:

- 1) through [Employee Self-Service](#), which is preferred
- 2) if you have no access to a computer, submit a *Benefit Election Form* to your Department's [Human Resources Representative](#). If you choose paper forms, make sure they are completed, signed, and dated.

If you miss the deadline, you will be defaulted into certain benefits and ineligible for others. You must wait for the next Open Enrollment period to make changes.

If you do not enroll in life insurance when first eligible, you will be required to complete a *Medical History Statement* or *proof of good health* for the insurance carrier, and you are not guaranteed coverage as you are when first eligible. Supplemental disability insurance has a longer preexisting condition exclusion period if you do not enroll when first eligible and apply at a later date.

When Coverage Begins

You must enroll within 30 days of hire. Coverage begins for you and your eligible family members on your first day of employment if that date is:

- the first calendar day of the month designated as a City business day, or
- the first calendar day of the month designated or recognized as the first working day for the shift to which you are assigned, whichever is later.

If your employment begins after this date, your coverage will begin the first day of the following month.

What if I miss the enrollment deadline?

If you fail to enroll within 30 days of your hire date, you will automatically be enrolled for dental and basic vision coverage. Your dental coverage will default to the Delta Dental of Washington plan.

If you are newly eligible for health coverage and don't actively elect or waive medical coverage, you will automatically be enrolled in the Aetna Traditional employee only plan. This plan requires no premium contribution from you.

You also will need to meet additional requirements to enroll in Life Insurance and Long-Term Disability Supplemental Insurance (LTD) coverage at a later date. You will be required to submit a Medical History Statement and have it approved by the insurance company to be eligible for Life Insurance coverage. You may have an additional waiting period for LTD.

Eligibility and Coverage Information

Waiving Coverage

You have the option to decline medical coverage within 30 days of your hire date, during Open Enrollment, or within 30 days of a qualifying event. If you waive coverage, you may not cover dependents under the City's medical plans. You will not be charged premium payments if you decline medical coverage and will still be enrolled in the dental and basic vision plans because there is no employee premium contribution.

How do I enroll my family members?

There are two opportunities to enroll family members:

- Open Enrollment
- Life Event or Family Status Change, for example:
 - Within 30 days of marriage, establishment of a domestic partnership, legal guardianship or a dependent losing coverage on another plan
 - Within 60 days of your child's birth or adoption event
 - Other examples of a Life Event or Family Status change can be found on Pages 6 and 7.

If you add a family member outside of Open Enrollment, you must complete a [Benefits Change Form](#) and submit it to your department's Benefits Representative. If you miss the enrollment deadline, you can enroll your family member(s) at the next open enrollment period, which is generally in the fall.

After you enroll a dependent, Alight Solutions, the City's business partner, will send a letter to your home within 2-3 weeks requesting documents that confirm the eligibility of your dependents. Additional information about the dependent eligibility verification process is [here](#).

Visit <https://www.seattle.gov/human-resources/benefits> for more information. Call your department's [human resources or benefits representative](#) or the City's Benefits Unit at 206-615-1340 if you have questions.

Eligibility and Coverage Information

How do I disenroll my family members?

If you need to remove a family member from coverage outside of Open Enrollment, submit a completed Benefit Election Form to your department's [benefits representative](#).

If you end your spouse or domestic partner's coverage due to a legal separation, divorce, or termination of the domestic partnership, submit a completed Statement of Termination of Marriage/ Domestic Partnership form or a Notice of Termination of State Registered Domestic Partnership within 30 days of the legal separation, divorce or domestic partnership termination.

There are two opportunities to change your benefit choices:

- Open Enrollment
- Within 30 days of a qualifying change in family or job status

Changing Your Benefits

Open Enrollment

Open Enrollment is held once each year in the fall. During this time, you can change your benefits plans, add and drop family members and add or drop coverages. If you make changes during Open Enrollment, your new coverage is effective on January 1 of the new (next) plan year. Increases in your Life insurance coverage are subject to the approval of your *Medical History Statement* by the life insurance carrier.

Open Enrollment is also the time to enroll in the Flexible Spending Account program (Health Care and Day Care). You must re-enroll every year, even if you had an account the previous year.

Life Events/Family Status Changes that May Affect Your Benefits

You must enroll a new spouse or domestic partner and any dependents within 30 days of your marriage or establishment of a domestic partnership. You have 60 days to add a child acquired through birth, adoption or placement for adoption (This 60-day deadline does not apply to FSA changes.) *If you miss the deadline*, you can only add family members during the annual fall Open Enrollment period.

If you have a change in family status, you may be able to make a related change to your benefits. Several examples are on the next page. Contact your Human Resources representative if any of the following occur:

Eligibility and Coverage Information

- You adopt a child - you may add coverage for that child (you may add coverage for your other dependents at that time).
- Your child loses coverage under your spouse's coverage - you may add this child to your plan.
- You get married or form a domestic partnership - you may enroll your new spouse or domestic partner and his/her eligible children.
- Your spouse or domestic partner loses coverage due to termination of employment, change in employment status, or beginning an unpaid leave of absence – you may add your spouse or partner to the plan.
- Your spouse or domestic partner gains coverage due to start of employment, change in employment status, or ending an unpaid leave of absence—you may drop your spouse or partner from the plan.
- You get divorced, legally separate, or dissolve a domestic partnership – you must drop the spouse or domestic partner from the plan.
- Your child no longer meets the age requirements for medical/dental/vision – your child will be dropped from coverage.

When Coverage Ends

Your medical/dental/vision, Basic and Supplemental Long-Term Disability, Basic and Supplemental Life and AD&D coverages end on the last day of the calendar month in which you:

- Are no longer eligible
- Resign, retire or are terminated
- Stop making any required payment.

Continuing Coverage Under COBRA

To help you continue your health coverage, Congress passed the Consolidated Omnibus Reconciliation Act (COBRA) in 1986. Under COBRA, you are eligible to purchase medical only, dental/vision only, or medical/dental/vision coverage under certain circumstances when your group health plan coverage with the City ends.

If you are a City employee and have City medical, dental and vision coverage, you and your covered family members have the right to elect COBRA continuation coverage for up to 18 months if your coverage is lost because of one of these qualifying events:

Eligibility and Coverage Information

- Your employment ends for a reason other than gross misconduct
- Your work hours are reduced to the point where you no longer are eligible for benefits.

The 18-month COBRA continuation period may be extended to 29 months if you or a family member (who is a qualified beneficiary) is disabled according to Social Security at the time of one of the above qualifying events. This 11-month extension is available to all qualified beneficiaries who lose coverage due to termination of employment or a reduction of hours.

Covered family members have the right to choose COBRA continuation coverage for up to 36 months if coverage is lost for any of these qualifying events:

- Death of the employee
- Divorce or legal separation of the employee and spouse or dissolution of the domestic partnership.
- A child loses coverage (turns 26).

The Life, AD&D and disability plans have conversion options.

Coverage through Health Insurance Exchange

As an alternative to COBRA, you may choose an individual medical plan through the health insurance exchange. Depending on your income and the number of dependents you cover, you may find a plan on the exchange that fits your coverage needs. Please note that if you enroll on an exchange plan, you will not be eligible for coverage on a City retiree medical plan in the future. More information at www.wahealthplanfinder.org.

Coverage through a City Retiree Plan

When you are eligible to retire, you will receive a packet of information about the City's retiree medical plans at your Retirement Office appointment. If you want to participate in a retiree medical plan instead of COBRA or a Health Insurance Exchange plan, be aware that you must choose a plan **at least 30 days before you retire**. In some cases, you can delay your enrollment in a City retiree medical plan if you are covered under another employer's plan. Contact the Benefits Unit at Benefits.Unit@seattle.gov for more information about the plans.

Paying for Benefits

Your Payroll Deductions

See page 24 for medical premiums

Medical, Dental and Vision

If you elect medical coverage, the City of Seattle pays most of the premium for you and your eligible, enrolled family members. The amount you pay depends on which plan you select and whether you cover a spouse or domestic partner.

Medical premiums are deducted each month on a pre-tax basis. (Premium amounts paid for a domestic partner cannot be taken on a pre-tax basis if your partner is not a dependent on your IRS tax form.)

Your share of the cost for your medical premium is taken in equal amounts from the first and second paychecks of the month during the month of coverage on a pre-tax basis. For example, premium deductions taken from your March paychecks provide for March coverage.

Dental and the Basic Vision plans are fully paid by the City for most employees. You can elect a Buy-Up Vision plan; you pay the premium for you and your eligible family members. The premium is deducted pre-tax in equal amounts from the first and second paychecks of the month.

Life Insurance

Your basic and supplemental life insurance after-tax premium deductions are taken from your second paycheck of the month for the next month's coverage.

Supplemental Long-Term Disability

Your Supplemental LTD after-tax premium deduction is taken from your second paycheck of the month for the next month's coverage. The amount you pay for Supplemental LTD coverage may vary each month because it is a percentage of your monthly earnings.

Accidental Death and Dismemberment

Your AD&D after-tax premium deduction is taken from your first paycheck of the month for that month's coverage.

Flexible Spending Accounts (Health Care & Day Care)

Your FSA pre-tax deduction is taken in equal amounts from your first and second paychecks each month.

Benefits and Financial Planning

Because everyone's medical and financial situations are different, the City offers a variety of plans to help protect employees and their families from the financial hardship that unusual medical expenses can bring. The plans are designed to cover much of the cost of medically necessary health care services. However, employees still bear a portion of their medical service costs in the form of premiums, deductibles, copayments and coinsurance.

Since health care costs may be unanticipated, it makes sense to plan in advance and save for your out-of-pocket costs. If you can accurately anticipate some medical, dental and/or vision expenses for the following year – such as prescriptions, glasses, orthodontia, office visit copays and deductibles. The Health Care FSA is a tool to support your financial planning and maximize the value you get for dollars spent on health care. You can elect the Health Care FSA during Open Enrollment to set aside pre-tax dollars to pay for eligible out-of-pocket medical expenses for you and your family. Here are additional ways to cut costs and save money.

- Quit smoking and encourage your family to quit. Enroll in the City's free tobacco cessation program by calling Quit for Life at 1-866-QUIT-4-LIFE (1-866-784-8454). Your adult family members with City medical coverage may enroll.
- Be more active and eat nutrient dense food. Many diseases and conditions are preventable, and healthy behavior reduces your future health care costs and enhances your life now.
- Go to check ups and screenings. Have regularly scheduled physical examinations by your doctor, dentist, eye doctor and so on. Take advantage of free medical screenings, flu shots and go to the City's wellness and benefits fairs.
- Choose the best health plan for you and your family. There is more to selecting a good health plan *than just the payroll deduction*. If you are shopping for a health plan, compare the premiums along with the copayments and co-insurance and what is and is not covered by the various plans.
- Stay within the network. Look for doctors and health care providers that are within your plan's network. If you participate in an Aetna plan and require a specialist, make sure you use an Aexcel specialist, which will save you 10%.
- Review medical bills carefully. Billing errors can cost hundreds or even thousands of dollars. Contact the billing office if there is an error or you do not understand your bill. You may be able to negotiate fees and bills that you feel are too high.

Medical Plan Options

Medical Plans

The City offers four different medical plans:

- Aetna Preventive Plan
- Aetna Traditional Plan
- Kaiser Permanente Standard Plan
- Kaiser Permanente Deductible Plan

How to Choose a Medical Plan

Plan features, coverages and costs vary. The plans with Aetna offer unlimited choice of doctors; coverage is higher if you use doctors in the Aetna network. The Kaiser Permanente plans require that you use their network of doctors, clinics, hospitals, and pharmacies, but offer a higher level of coverage.

Plans offering higher coverage (Aetna Preventive and Kaiser Permanente Standard) have lower copays but higher monthly premiums. The Aetna Traditional Plan has a larger annual deductible and lower or no monthly premiums.

When making your decisions, you should consider cost, choice, and coverage. Here are some questions to ask yourself:

- Do you want a plan that allows you to choose any doctor, hospital, or clinic (Aetna plans) or are you willing to stay within a network (Kaiser Permanente plans) and receive a higher level of coverage?
- Would you rather pay higher monthly premiums to have a small annual deductible (Aetna Preventive Plan) or no annual deductible (Kaiser Permanente Standard Plan) and smaller copays?
- Would you rather pay lower or no monthly premiums and have higher coinsurance and deductibles (Kaiser Permanente Deductible and Aetna Traditional plans)?

The following very brief plan descriptions may help you make these choices.

New Employees: Remember - You have 30 days from your hire date to enroll in the medical, dental, vision and most optional insurance plans.

Medical Plan Options

Aetna	The City has two plans with Aetna — the Preventive Plan and the Traditional Plan. The plans use the Aetna provider network, and Aetna administers the claims.
Preventive Plan	This plan has a \$100 annual deductible per person (\$300 per family) and a \$15 copay for all office visits except preventive care (which is covered at 100%). The deductible applies to most services except where a copay applies. Most other services are covered at 90% after a copay if you use an Aetna network provider.
Traditional Plan	This plan has a \$400 annual deductible per person (\$1,200 per family). Most services are covered at 80% if you use an Aetna network provider. Most preventive care is not covered.
What If I Don't Use the Aetna Network?	If you choose a provider who is not in the network, you will pay a higher percentage of the visit cost. Prices charged by a non-network provider also are often higher than those charged by a network provider. If you use a non-network provider, you will pay 40% of the network service cost, and your doctor may charge you an additional amount above the network price.
Aetna's Aexcel Network	Aetna has a special sub-network, called the Aexcel network, which consists of doctors who specialize in such areas as cardiology, cardiothoracic surgery, gastroenterology, general surgery and obstetrics/ gynecology. Doctors were selected for this special network because they meet screening criteria in the areas of experience, performance, effectiveness, and efficiency. If you need care in one of these areas and you do not choose a doctor from the Aexcel network to provide that care, you will pay 10% higher coinsurance. You do not need a referral to see a specialist.
Accolade	Contact Accolade at 866-540-5418 or https://login.myacolade.com/login for customer service, support with treatment decisions, benefit coverage questions, help finding a doctor or specialist, claim denials or complaints, prescription plan and formulary questions.
Aetna.com	Locate detailed claim information at Aetna.com .
Teladoc	Talk to a doctor anytime by phone or video. Be treated for health issues, including cold and flu symptoms, allergies and skin problems. You can also see a behavioral health provider and establish an ongoing relationship for issues such as depression and anxiety. Register at https://member.teladoc.com/signin .
Urgent Care	Contact an Accolade Health Assistant at 866-540-5418 to find an urgent care facility near you. Or, log in to your account at Aetna.com .

	Total Monthly Premium	Employee, with or without children		Employee with Spouse/Domestic Partner, with or without children	
		City Pays	Employee Pays*	City Pays	Employee Pays*
Medical Plan					
City of Seattle Preventive	\$1,555.93	\$1,507.81	\$48.12	\$1,457.43	\$98.50

Your premium will be divided into two equal payments and taken from the first two paychecks of the month for the current month's coverage. (For example, deductions taken in January will pay for January coverage.) No premiums are deducted from the third paycheck. Premiums are deducted on a pre-tax basis, reducing your taxable income.

*Provided they are IRS tax dependents.

Health Care Premiums

Enrolling Spouse/DP

To cover a spouse or domestic partner (and tax dependents of your domestic partner), you must complete a Benefit Election form and an Affidavit of Marriage/ Domestic Partnership.

Spouse/DP/ Dependents Who are IRS Tax Dependents

If they are IRS tax dependents, the rate information on the previous page applies. If you enroll your domestic partner and your domestic partner's children, you will be taxed on the value of their medical coverage if they are not your tax dependents. (The value of the benefits will be imputed to your gross income.)

DP/Dependents Who are Not IRS Tax Dependents

After Tax Premium Contributions

If you choose to cover a domestic partner **who is not your IRS tax dependent**, the portion of the premium deducted from your paycheck (your contribution) that pays for his/her coverage must be taken "after tax" to comply with IRS regulations. The column headed "**Monthly Premium Contributions Taken After Taxes**" shows the portion of your monthly premium contribution that will be deducted from your paycheck after taxes are calculated.

Medical Plans	Monthly Premium Contribution Taken After Taxes for Domestic Partner
City of Seattle Preventive	\$50.38
City of Seattle Traditional	\$32.34
Kaiser Permanente Standard	\$51.50
Kaiser Permanente Deductible	\$31.92

Imputed Income for Value of Health Coverage

In addition, if your domestic partner or your partner's non-IRS tax dependent's children do not qualify as your IRS tax dependents, you will also be taxed on the City-paid **value** of their medical, dental and vision coverage as required by IRS regulations. The following amounts will be listed on your paycheck as taxable income each month and are subject to federal income and Social Security tax withholding. These values have been adjusted to reflect the premium amounts taken after-tax (as explained above) so you are not taxed twice.

Prescription Drug Coverage

Prescription Drug Retail Program

Aetna classifies medications into three tiers:

- Generic
- Preferred brand-name
- Non-preferred brand-name

Kaiser Permanente uses two classifications:

- Generic
- Preferred brand-name (no coverage for non-preferred brands)

Preventive and Traditional Plans (Aetna)

With the Aetna plans, you pay 30% of the actual cost for generic drugs, and 40% for preferred and non-preferred brand-name drugs, up to a maximum of \$100 per drug per month. There is a \$1,200 annual out-of-pocket maximum per member for retail and mail order drugs.

The Aetna formulary is *Premier Plus Plans*. This formulary provides a list of drugs covered under your plan. You can search for specific drugs at: <https://www.aetna.com/individuals-families/find-a-medication.html>.

Present your medical plan ID card at any Aetna network retail pharmacy. Prescriptions filled at a non-network pharmacy will not be covered. You may contact the toll-free Member Services number on the back of your ID card to find a participating pharmacy, or check the website Aetna.com

Kaiser Permanente Plans

You are responsible for a \$15 copay for generic drugs and a \$30 copay for brand name drugs. All prescriptions must be filled at a Kaiser Permanente pharmacy. Prescriptions filled at any non-Kaiser Permanente pharmacy will not be covered.

If you access care at a Bartell CareClinic and are prescribed a medication which is filled by that store's pharmacy, your prescription copays would apply for the initial script. Any refills of that medication would need to be through a Kaiser Permanente facility or mail-order pharmacy.

The Kaiser Permanente formulary is the *Drug Formulary for Large Employers 1- or 2-Tier In-Network Pharmacy Benefit*. The formulary provides a list of drugs covered under your plan. You can search for specific drugs at wa.kaiserpermanente.org/html/public/pharmacy/drug-formulary.

Dental Plan Options

There are two dental plans: Delta Dental of Washington (DDWA) and Dental Health Services (DHS).

Delta Dental of Washington

If you select DDWA, you can receive services from any dentist, but your out-of-pocket expenses may be lower if you choose a dentist who belongs to the DDWA network. To locate a DDWA network provider, search <https://www.deltadental.com/us/en/find-a-dentist.html>. For claim issues or appeals, please call (206) 522-2300 or 1-800-554-1907.

Selecting an in-network DDWA dentist means:

- The portion of the dental bill you pay is smaller than if you use a non-network dentist.
- You do not need to submit a claim - the dentist's office will submit the claim form.
- After you pay your portion of the bill, you will not be balance-billed more for a covered service. (*A non-DDWA dentist may bill you for the portion of the bill that DDWA does not cover.*)

Orthodontia (children only, up to age 26)

Pre-treatment estimates are recommended. The orthodontia benefit is paid at a 50% level to a lifetime maximum of \$1,500 for each eligible child. **NOTE:** for children who are already in treatment when joining the City's DDWA plan, DDWA will prorate claim payment(s) based on the original banding date and remaining balance. The dental office needs to contact DDWA customer service for patient-specific details.

Plan Ahead

Use your health care Flexible Spending Account to pay your out-of-pocket dental expenses with pre-tax dollars.

ID Cards

You will receive your DDWA ID card about 2 weeks following your dental plan selection. However, a card is not needed to access care – simply let your provider know you are covered under a City of Seattle plan, and they will ask you some information to identify you and confirm your benefits and eligibility. You can also set up your online account or Go Mobile at <https://www.deltadentalwa.com/>.

Dental Plan Options

Dental Health Services

If you select DHS, you can only receive services from an in-network dentist or dental practice – there is no out-of-network benefit available. In some instances, the DHS plan may provide a greater benefit for services received than DDWA but, the list of in-network dentists and clinics is much smaller than DDWA and you **must see** an in-network, DHS-participating dentist or clinic for services to be covered.

Selecting a DHS dentist means:

- There are no deductibles and no annual maximums
- There are no incentive-level services

Accessing Care

(Notify DHS once you've selected your care provider)

To begin, visit: <https://www.dentalhealthservices.com/> and click "Plan Members" – from here, you will be able to:

- Search for a DHS dentist/clinic and to set up your online account.
- If you provided a personal email to the City during your on-boarding, that address is on file with DHS and should be used on the **Register Member** screen when setting up your account.
- If your personal email wasn't provided or doesn't work on the **Register Member** screen, contact DHS directly at (206) 849-7100 to request your Member Number.

Payment of Basic Services

This plan has an office visit copay of \$10 for all covered members and there are also copays for selected services. The plan comparison on the next page lists services and copay requirements.

Orthodontia

DHS offers both child and adult (age 25 and over) orthodontia. Coverage includes: a copayment of \$1,800 per adult or \$1,000 per child; a \$150 charge for the initial exam, study models and x-rays; and a \$10 copay for each visit during the course of ortho treatment. **NOTE:** for members who are already in treatment when joining the City's DHS plan, there is **no** transition of care; the orthodontia benefit is available for *new patients only*.

Plan Ahead

Use your health care Flexible Spending Account to pay your portion of the out-of-pocket dental expenses with pre-tax dollars.

ID Cards

You will receive your DHS ID card about 2 weeks following your dental plan selection.

A side-by-side comparison of the two plans is below. Find network providers, create your online account, review Special Offers, and more at www.vsp.com .
ID Cards	Expenses in excess of the co-payments, in-network allowances and out-of-network scheduled amounts are not covered by the plan. Use your FSA to pay for these expenses with pre-tax dollars.

Optional Insurance

Optional Insurance Choices

The following is a list of all your optional insurance choices. The City offers paid Basic Long-Term Disability Insurance and shares the cost of Group Term Life Insurance with you. Accidental Death & Dismemberment premiums are paid in full by the employee. You can purchase additional insurance coverage within 30 days of your hire date, during Open Enrollment or within 30 days of a qualifying change in family status. (Family status change enrollment not applicable to Supplemental LTD.)

- Supplemental Long-Term Disability insurance for yourself
- Life insurance for yourself and family members
- Accidental Death and Dismemberment (AD&D) insurance for yourself and family members

Long-Term Disability (LTD) Insurance

Long-term Disability insurance is designed to pay a monthly benefit to you in the event you cannot work because of a covered illness or injury. This benefit replaces a portion of your income, thus helping you to meet your financial commitments in a time of need and providing you peace of mind in knowing that a step has been taken toward securing your income during a period of disability.

The **Basic** LTD plan is fully paid by the City and provides a 'basic' level of LTD coverage. The **Supplemental** LTD plan is *optional* and premium is shared between the employee and the City. The Supplemental plan provides a higher level of coverage than the Basic plan.

Basic vs. Supplemental LTD

If you are not certain that you need Supplemental LTD coverage, consider if you will be able to meet your financial obligations if you become disabled. The risk of disability may be greater than you might think. Recent statistics have shown:

- Over half of Americans are financially unprepared for a period of disability (*Source: Social Security Administration, Facts*)
- Less than 5 percent of disabling accidents and illnesses are work related (*Source: Council for Disability Awareness LTD Claims Review*)
- 52% of adults have no savings earmarked for emergencies (*Source: US Federal Reserve Board, Report on Economic Well-being*)

Do I need Supplemental LTD?

Helping you decide. Each person has a unique set of circumstances and financial needs. To assist you in calculating whether or not you need Supplemental LTD coverage, use either of the below links:

- **Decision Support Tool:** <https://www.standard.com/edu/city-seattle/17541>
- **Disability Needs Calculator:** <https://www.standard.com/individual/products-services/workplace-benefits/insurance/estimate-disability-insurance-needs>

Optional Insurance – Long-Term Disability

Coverage Effective Date

Please note the below information is only plan highlights. For specific LTD benefit details, refer to the [Certificate of Coverage](#).

Coverage for **Basic LTD** is automatic – enrollment will be processed by your department’s Benefit Representative. To be covered under the **Supplemental LTD**, you must enroll within your first 30 days of becoming eligible (either from your date of hire or 30 days from the day you move into a benefits-eligible position). If initially waived, delayed enrollment is allowed during a subsequent Open Enrollment period. See *the Certificate of Coverage for details regarding the Exclusion Period*.

Your monthly LTD benefit is a percentage of your insured monthly pre-disability earnings less any deductible income (i.e. City paid sick time, Social Security, Worker’s Compensation, etc.).

Benefit Amount

	Basic LTD	Supplemental LTD
Percentage of monthly pre-disability earnings	60%	60%
Maximum monthly benefit	\$400	\$5,000
Minimum monthly benefit	\$100	\$100

Note: Temporary benefits-eligible employees are not eligible for Supplemental LTD.

Below is an example comparing the LTD benefit under both plans:

	Basic LTD	Supplemental LTD
Enter monthly earnings	(1) \$ 667 <i>Note: if monthly earnings exceed \$667, enter \$667 above</i>	\$ 7,300 <i>Note: if monthly earnings exceed \$8,333, enter \$8,333 above</i>
Percentage of earnings	60%	60%
Multiply amount on Line 1 by percentage on line 2 – this is your monthly LTD benefit	\$667 x 60% = \$400	\$7,300 x 60% = \$4,380

Premium Amount

The Basic LTD plan premium is paid by the City. If you elect the Supplemental plan, your monthly rate is calculated as below:

- Determine your base monthly earnings (up to \$8,333) and subtract \$667 (the amount of the Supplemental plan paid by the City). Multiply that number by .00560 – this is your monthly rate that will be deducted after-tax on the second paycheck of each month.
- In the above table example: \$7,300 - \$667 = \$6,633, multiplied by .00560 = \$37.14 per month.

Note: since premiums for Basic LTD are paid by the City, and the employee’s portion of the Buy-up LTD premium share are deducted after-tax, paid LTD benefits are partially tax-free.

When Am I Considered Disabled

If a claim for LTD benefits is approved by Standard Insurance, benefits become payable **after** the benefit waiting period. This is the specified number of days during which you must remain continuously disabled. Benefits are not payable during the waiting period.

During the Benefit Waiting Period (see below), you are considered disabled if, as a result of a physical disease, injury, pregnancy or mental disorder, you are unable to perform with reasonable continuity the material duties of your Own Occupation.

Waiting Period

Benefit Waiting Period: The Benefit waiting period for both Basic and Supplemental LTD is 90 days. See the [Certificate of Coverage](#) for more detailed information.

Maximum Benefit Period: If you become disabled before age 62, LTD benefits may continue during disability until age 65 or until Social Securing Normal Retirement Age (SSNRA) or 3 years 6 months, whichever is longer. Otherwise, the maximum benefit period for both Basic and Supplemental LTD is in the chart below, age-graded to SSNRA:

Limitations

Age at Time of Disability	Maximum Benefit Period
62	To SSNRA or 3 years 6 months, whichever is longer
63	To SSNRA or 3 years, whichever is longer
64	To SSNRA or 2 years 6 months, whichever is longer
65	2 years
66	1 year 9 months
67	1 year 6 months
68	1 year 3 months
69 or older at time of disability	1 year

LTD benefits are not payable unless you are under the care of a physician. See the [Certificate of Coverage](#) for additional limitations.

When Benefits End

- LTD Benefits end automatically on the earliest of:
- The date you are no longer disabled
 - The date your maximum benefit period ends
 - The date you die
 - The date benefits become payable under any other LTD disability insurance plan under which you become insured through employment during a period of temporary recovery

Optional Insurance – Group Term Life

Group Term Life (GTL) Insurance

The City provides two levels of optional Term Life Insurance: Basic and Supplemental. The City and you pay for Basic Life Insurance; you pay the full cost for Supplemental Life Insurance. You can sign up for Group Term Life Insurance within 30 days of your hire date, during an Open Enrollment period, or within 30 days of a qualifying change in family status. For more information, please refer to the Certificate of Coverage.

Basic Life Insurance

This optional coverage provides you with two options of Term Life Insurance benefit amounts. The first option is equal to one-and-a-half times your annual salary and the second option is \$50,000. The City contributes 40% of the cost and you pay the remaining 60% of the cost. Within the coverage amount guidelines shown below, you select the option of basic Life insurance for which you are interested in applying. A table with information regarding the monthly cost of Basic Term Life Insurance follows.

	Minimum	Maximum*
Option A	1.5 times your Annual Earnings, rounded to the next higher multiple of \$1,000, if not already a multiple of \$1,000	No maximum
Option B	1.5 times your Annual Earnings, rounded to the next higher multiple of \$1,000, if not already a multiple of \$1,000	\$50,000

* IRS rules state that the value of Basic Life Insurance over \$50,000, which is paid for by the City, is taxable. You may limit your Basic Term Life Insurance coverage amount to \$50,000 to avoid the additional taxes. The amount on which you pay taxes will be shown on your second paycheck each month.

If you sign up for Basic Term Life Insurance as a new employee, you are guaranteed coverage. However, if you sign up for it later, you will be required to complete an [Evidence of Insurability](#) form (medical history statement), which must be approved by The Standard Insurance company before your life insurance takes effect.

Coverage Amount Needed

Your family has a unique set of circumstances and financial demands. To help you figure out the amount of basic Life insurance you may need to protect your family, The Standard has created a Life Insurance Needs Calculator found at <http://www.standard.com/lifeneeds>.

How Much Will Coverage Cost?

Your coverage amount is equal to your annual salary, rounded up to the next \$1,000 increment, multiplied by 1.5. Your monthly premium equals \$0.048 times each \$1,000 of coverage.

To calculate your basic Life insurance, use the following table:

1. Annual Salary = Line 1	Line 1: _____
2. Round Up Line 1 to nearest \$1,000 = Line 2	Line 2: _____
3. Multiply Line 2 by 1.5 = Line 3	Coverage Amount Line 3: _____
4. Divide Line 3 by \$1,000 = Line 4	Line 4: _____
5. Multiply Line 4 by the plan rate of 0.048 = Line 5	Monthly Premium Line 5: _____

For example, if your salary is \$78,600 per year, round it up to \$79,000. To determine your coverage amount, multiply \$79,000 by 1.5 = \$118,500. \$118,500 is your coverage amount. Divide your coverage amount by \$1,000 ($\$118,500 / \$1,000 = 118.50$). Multiply 118.50 by the plan rate of 0.048 ($118.50 \times 0.048 = \$5.68$) Your premium is \$5.68 per month.

You pay the entire premium for Supplemental Term Life Insurance coverage and, for your family members to have coverage, you must first enroll yourself in Supplemental Life Insurance

Costs for Supplemental Term Life Insurance for you and your spouse/domestic partner are based on **your** age (employee's age). Costs for covering eligible children are fixed and the monthly premium is the same regardless of how many children you cover.

The following tables show the cost of supplemental GTL insurance:

Optional Insurance – AD&D

AD&D

To supplement your Basic and Supplemental Life Insurance, you may purchase Accidental Death and Dismemberment (AD&D) Insurance for yourself, spouse/domestic partner and/or children. AD&D Insurance pays a death benefit (principal sum or full insurance amount) if the insured person dies due to an accident; it also pays a percentage of the death benefit if the covered person loses a limb(s) or becomes paralyzed. For example, a person who is covered by AD&D Insurance would receive 50% of the principal sum (full insurance amount) if he/she lost a limb from an injury relating to an accident.

You can cover yourself in \$25,000 increments up to \$500,000. The amount of coverage for your family members is a percentage of your coverage amount. For example, John Smith has "Employee and Family" coverage for himself and his two children (no spouse). If one of his children dies, he receives a payout of 20% of the principal sum. If John had a spouse, he would receive 15% of the principal sum if his child were to die. Charts showing costs and payout percentages can be found on the next page.

In addition, the plan has travel assistance benefits for you and your covered family members when you travel 100 miles or more from home or internationally. Locate the travel assistance program guide and wallet card [here](#)

How to Decide if You Need AD&D

If you don't have life insurance or other insurance plans to cover your family if something should happen to you, you may consider purchasing AD&D coverage.

New Employees: Remember - You have 30 days from your hire date to enroll in the medical, dental, vision and optional insurance plans.

Optional Insurance - Flexible Spending Accounts

Flexible Spending Accounts

The City's Flexible Spending Account (FSA) Plans are administered by Navia Benefit Solutions. The FSAs allow you to set aside pre-tax dollars from your paycheck (\$120 annual minimum, \$2,700 annual maximum for Health Care FSA plan or \$5,000 for Day Care FSA plan) to pay for eligible expenses not covered through other benefit programs. When you put money into an FSA, you do not pay federal or Social Security taxes on it. As a result, your taxable income is reduced and your taxes are lower.

You can enroll in the flexible spending accounts either: (1) within 30 days of your hire date through Employee Self-Service, (2) during an Open Enrollment period, or (3) within 30 days of a qualifying change in family status. **To continue participating, you must re-enroll each year during open enrollment.**

There are two types of FSA Plans:

Health Care FSA Account

Health Care FSA – allows you to set aside money (\$2,700 annual maximum per employee) to pay for expenses not covered by your health plans (e.g., deductibles, copays, or expenses for orthodontia that exceed the plan maximum). Health care premiums are not eligible expenses because they are already deducted from your paycheck on a pre-tax basis. You must submit receipts for reimbursement by March 31 of the following year. Find eligible expenses at www.naviabenefits.com.

You may carry over up to \$500 of unused health care FSA funds into the following plan year if it results in a minimum account balance of \$120. Amounts above \$500 left in the account at the end of the year cannot be refunded.

Day Care FSA Account

Day Care FSA – allows you to set aside money on a pre-tax basis to pay for eligible day care expenses for your child, disabled spouse, or tax dependent parent (or anyone who qualifies as a dependent on your IRS tax form) while you and your spouse/domestic partner work or seek employment, or if your spouse who does not work becomes a full-time student (\$5,000 annual maximum per household). Unused Day Care FSA funds will not carry over to the following plan year.

If you experience a qualifying life event as described below, contact the Benefits Unit at Benefits.Unit@seattle.gov within 30 days of the event to see if you're eligible to make a change to your Day Care FSA.

<p>Examples of Qualifying Life Events <i>(not all-inclusive)</i></p> <p>Contact the Benefits Unit if you have any questions</p>	<ul style="list-style-type: none"> ○ Return to work from a Leave of Absence <i>(Note: returning from Leave is the qualifying event for birth or adoption and marks the 30-day window to elect Dependent Care FSA)</i> ○ Change in legal marital status, which changes the number of your eligible dependents (marriage, divorce, etc.) ○ Birth of a child, adoption of an eligible child or placement for adoption, or death of a dependent ○ Change in employment status for you or your spouse/domestic partner which affects your day care needs ○ Day care need change. Examples include child reaching maximum age of 13, change in daycare cost and/or coverage, or change of care provider
<p>Set up Your Online Account</p>	<p>As you incur eligible expenses, you submit bills and receipts, and receive reimbursement up to the amount you elect to have withheld from your paychecks throughout the year. There are restrictions on the amount you can contribute and the types of expenses that can be reimbursed. Find eligible day care expenses at www.naviabenefits.com.</p> <p>Create your online account using your personal email address and the Company Code: CS1, shop the FSA store, submit a claim for reimbursement, manage your Navia Benefits Card, and more at www.naviabenefits.com. For claim issues or appeals, please call (206) 425-452-3500 or 1-800-669-3539. Find eligible expenses at www.naviabenefits.com.</p>
<p>Benefits Card</p>	<p>The Navia Benefits Card is a debit card that allows you to access your Health Care FSA funds directly, instead of paying out-of-pocket and waiting for reimbursement. The card will not be sent to you automatically – once you set up your online account, you can request the Benefits Card through your portal. You may complete the Benefits Card/Direct Deposit Request Form here and send the completed form to Navia.</p>

Leave Policies

Vacation

You earn vacation based on the number of hours (non-overtime) you are paid each pay period. Vacation hours are accumulated on a maximum of 80 hours per pay period. (See the vacation accrual chart below.) Approximately 2,088 hours of regular pay status equal one year of full-time employment. Your vacation accrual rate is 12 days per year for your first four years of service. The accrual rate gradually increases to 20 days per year after 20 years of service with an additional day per year of service thereafter to a maximum of 30 days.

You can accumulate two times your annual vacation without penalty. The amount of vacation you have earned and not used is shown on your biweekly paycheck. You may also view this information on [Employee Self-Service](#).

Follow your department's protocol for requesting and taking vacation.

Your unused vacation balance will be cashed out when you leave City employment, unless your union has elected to participate in VEBA or you are eligible to defer your vacation leave into Deferred Compensation. Check with your HR representative.

Represented Employees - see your collective bargaining agreements for provisions regarding leave policies.

If any of this information differs from the union bargaining agreement, the bargaining agreement prevails.

Leave Policies

Sick Leave

Sick leave is a short-term disability program that pays your wages if you must be absent from work because of your own medical appointments, personal illness, injury or disability which makes you temporarily unable to perform your job or when you are absent because of medical appointments, illness, injury or disability of your spouse or domestic partner, parent, grandparent, sibling, grandchild or dependent child. Sick leave may also be requested for the non-medical care of a newborn or child recently placed for adoption, foster care or legal guardianship, closure of your worksite or your child's school or place of care by a public health official and for reasons related to domestic violence, sexual assault or stalking. You are eligible to use available sick leave hours after 30 days of employment.

All regularly appointed full-time employees accumulate 12 days or 96 hours of sick leave per calendar year, at the rate of .046 hours per hour on regular pay status. If you are absent more than four consecutive work days, you must submit medical documentation to verify your absence. You may also need to provide return to work certification. When you retire through the City of Seattle Retirement System you are eligible to receive a cash equivalent of 25 percent of unused sick leave hours, unless your union has elected to participate in VEBA or you are eligible to defer your sick leave into Deferred Compensation. Check with your HR representative.

Sick Leave Transfer

The City has a sick leave transfer program. You may request to receive up to 560 hours of donated sick leave for any single qualifying incident from other employees if you meet all the following conditions:

- You have exhausted, or will exhaust in the current pay period, your paid leave balances due to a personal illness, injury, impairment, or physical or mental condition which is likely to cause you to go on leave without pay, or to leave City employment.
- You provide a medical certification from your health care provider verifying the nature and expected duration of your condition and the need to be off work.
- You have used your sick leave balance judiciously.
- You are not eligible for benefits under SMC Chapter 4.44 or under the State Industrial Insurance and Medical Aid Acts.

You may also donate 8 or more sick leave hours to an approved recipient employee provided the donation will not cause your sick leave balance to fall below 240 hours.

For more information on sick leave transfer, see Personnel Rule 7.7.5 and your department's policies.

Leave Policies

Holidays

Most City employees are eligible for 10 official paid holidays and two personal paid holidays per year. To qualify for a paid holiday, you must be on regular pay status either the day before or the day after the observed holiday. However, if you returned the day after a holiday, but had been on unpaid leave for more than four days immediately preceding the holiday, you would not be eligible for holiday pay. For more information regarding holiday leave policies, consult Personnel Rule 7.6 at seattle.gov/human-resources/rules-and-resources/personnel-rules and any applicable union contract.

Below is the 2020 holiday schedule.

The 2021 New Year's Day holiday will be Friday, January 1.

You must use your personal (floating) holidays during the calendar year or you will forfeit them.

Emergency Day

Some union agreements provide for an emergency day. This is a day to take care of an urgent personal situation. Check your collective bargaining agreement for more information.

Leave Policies

Floating Holidays

You will be credited with two floating (personal) holidays on January 1 of each year. Individuals with ten or more years of service credit receive four personal floating holidays. You may take them in full-day increments at any time with supervisory approval. Personal holidays cannot be carried over from year to year nor can they be cashed out at the end of the year. Use them or lose them!

Employees who work a 4/10 or 9/80 schedule receive eight hours pay per holiday. They must cover the difference with vacation or compensatory time, take it without pay or work flex hours. For more information, see the [Personnel Rules 7.6](http://seattle.gov/human-resources/rules-and-resources/personnel-rules) at seattle.gov/human-resources/rules-and-resources/personnel-rules. Represented employees should also see their collective bargaining agreements for provisions covering personal holidays.

Bereavement Leave

The City provides up to 5 days of bereavement leave, which is not chargeable to sick leave or vacation, to full-time employees to mourn the loss of a close relative. Bereavement leave is prorated for part-time employees.

For purposes of bereavement leave, a close relative is defined as the employee's spouse or domestic partner, and the parent, step parent, adoptive and foster parent, child, sibling, grandparent and grandchild of the employee or the employee's spouse or domestic partner. Also included are the legal guardian, ward or any person over who the employee or spouse/domestic partner has legal custody. Your department head may also approve the use of up to 5 days of sick leave for a full-time employee to mourn the loss of a relative other than a close relative.

You may, with supervisory approval, take vacation or other discretionary leave to mourn the death of a friend, co-worker or other individual who is not a close relative. You may also take vacation or other discretionary time off if you need additional time to settle the deceased's estate and other affairs, or to properly mourn your loss. For more information about bereavement leave, see the Personnel Rules 7.8 at: seattle.gov/human-resources/rules-and-resources/personnel-rules.

Leave Policies

Military

Upon presentation of your military orders, you are eligible for up to 21 working days of paid military leave per calendar year. A “working day” for purposes of military leave is usually equivalent to your regular workday. For more information see the [Personnel Rules 7.9](#) at: seattle.gov/human-resources/rules-and-resources/personnel-rules.

You will be granted job-protected leave to enter the United States armed services. Generally, you may be gone for up to five years. You will be returned to your job as long as you are honorably discharged and report to work within the time period specified by state and federal law.

Family and Medical

The City provides up to 90 calendar days of unpaid Family and Medical Leave per year. You may receive this in addition to any paid leave for a properly certified Family and Medical Leave qualifying condition; however, Paid Family Care Leave counts towards the family medical Leave entitlement. When you use Family and Medical Leave for the non-medical care of your newborn child or for a child who has been placed with you for foster care, adoption, or legal guardianship you must provide 30 days’ advance notification, when possible. You must also write and sign a memorandum attesting to the date of the child’s birth or placement with you. When you use Family and Medical Leave for your own serious health condition or to care for the serious health condition of an eligible family member, you must provide as much notification as possible. You must also submit your health care provider’s certification of a serious health condition. Additionally, you will need your health care provider’s release to return to work. Employees are eligible to use the leave after six months of employment. For more information, see Personnel Rule 7.1 at: seattle.gov/human-resources/rules-and-resources/personnel-rules.

Paid Family Care Leave

The City provides up to four weeks per a rolling 12 month period for an employee to care for a FMLA qualifying family member with a serious health condition, whose sick leave balance has been reduced to a maximum of two weeks and vacation to a maximum of one week, and has available FMLA entitlement hours. Employees are not eligible to use the leave until after having completed a consecutive six months of employment in a benefitted position or temporary assignment. Hours are pro-rated for part-time employees. The leave expires after one year or sooner if the qualifying condition ends.

Leave Policies

Paid Parental Leave

The City of Seattle's Paid Parental Leave program provides eligible employees up to 12 weeks paid leave to bond with their new child, pro-rated for part time employees. Regular or temporary employees who are benefits-eligible per Seattle Municipal Code Subsection 4.20.055(C) who have worked at least 6 months in the benefit eligible position will receive twelve weeks of leave if they experience the following qualifying event on or after October 2, 2019:

- Birth of a child
- Placement of a child for adoption
- Placement of a child for foster care
- Placement of a child for legal guardianship

The employee must use the leave by the first anniversary of the child's birth or placement. If an employee has two qualifying events in a single 12-month period, they may only use up to 480 hours of their eligible Paid Parental Leave to bond with children in multiple qualifying events.

The employee would not be eligible for additional leave until after the first 12-month period. For more information and the application form, go to the Paid Parental Leave page at:

<https://www.seattle.gov/human-resources/benefits/employees-and-covered-family-members/leave-options#employeefamilyandmedicalleaveoptions>.

Sabbatical Leave

You may be eligible to request an unpaid sabbatical leave of absence of up to 12 months after completing the equivalent of seven years of continuous full-time regular City employment. A sabbatical leave differs from a personal leave of absence in that returning to your job is guaranteed. (This guarantee is no greater than if you were not on leave.) In addition, you will receive health care benefits at the rate of one month of coverage for every year of completed employment, to a maximum of 12 months. You may also cash out any unused sick leave over 240 hours at 25% of its current value.

For additional information, go to the **Personnel Rules** at seattle.gov/human-resources/rules-and-resources/personnel-rules.

Washington State Paid Family and Medical Leave

Washington's Paid Family and Medical Leave is an insurance program funded through premiums paid by the City of Seattle and employees. It offers partially paid leave for qualifying medical, family and certain military connected events. The program covers between 12 and 18 weeks of paid leave for a qualifying event, depending on the circumstances. For more information, please visit the Washington State Employment Security Department's website at <https://www.paidleave.wa.gov/>.

You can start applying for Washington State Paid Family and Medical Leave with the Washington State [Employment Security Department](#) (ESD) beginning January 1, 2020. You have the right to a work environment that is free from discrimination and harassment based on race, gender, age, national origin, color, creed, gender identity, religion, ancestry, or presence of any sensory, mental or physical disabilities. You should report any incident of illegal harassment or discrimination you experience or witness to the proper authority. You will find the procedure for reporting and investigating allegations of workplace harassment at <http://sdhrweb/safety/workplaceviolence.asp>.

Employment

Your position (job) may be represented under the terms of a collective bargaining agreement between the City and an authorized union. Please note: We have made every attempt to ensure the accuracy of this information. If there is any discrepancy between this booklet, the insurance contracts, other legal documents or the terms of an authorized collective bargaining agreement, the contracts, legal documents, and applicable collective bargaining agreements will always govern. The City of Seattle intends to continue these plans indefinitely but reserves the right to amend or terminate them at any time in whole or part, for any reason, according to the amendment and termination procedures described in the legal documents. This booklet does not create a contract of employment with the City of Seattle.
