Your 2021 Dental Benefits

Dental Health Services

Dental Health Services is proud to work with the City of Seattle to offer employees and their families the opportunity to enjoy comprehensive dental coverage, receive care from independent Quality Assured dentists, become better educated dental consumers, and benefit from outstanding, prompt, and personalized service — all with minimal out-of-pocket cost.

Save money

Over 175 covered procedures are offered at low or zero copayment. The plan has no deductibles and an office visit copayment is just \$10*.

Go to a great dentist

You'll receive excellent care, because all of our local participating dental offices are independently owned and adhere to our Quality Assurance program.

Get the care you need

You'll be able to get the help you need with no waiting periods, no annual benefit maximums, no preexisting condition exclusions and easy appointment scheduling. Appointments for most general dental services are available within three weeks.

Enjoy great coverage

A broad range of general dental procedures are covered, including exams, x-rays, cleanings, sealants, amalgam & composite restorations, crowns, bridges, dentures, extractions, periodontics and orthodontics.

Enhance your smile

Orthodontic treatment is available for both children and adults at a low copayment. You'll also save 15% on cosmetic services.

Work with employee-owners

Independently operated in Seattle for more than 25 years, Dental Health Services is a unique employee-owned company. When you work with us, you'll have questions answered quickly and easily by your helpful Member Service Specialist.

You are able to get assistance whenever you need help by contacting our local, bilingual Member Service Specialists by phone, fax, or online through the City's customized website.

Dental Health Services is an employee-owned company that serves nearly 100,000 satisfied plan members throughout Washington, Oregon, and California.

About Dental Health Services & its employee owners

Founded by Godfrey Pernell, D.D.S. in 1984 in Washington, Dental Health Services was one of the first dental benefits companies to specialize in the provision of prepaid dental plans, instantly setting industry standards with our great service and dedication to patient health. These core values continue to shape the commitment to our plan members and the participating dental offices that offer them outstanding care.
