Dear Ballard Avenue Landmark District Residents, Property and Business Owners:

The building in which you live or work, or which you own, is in the Ballard Avenue Landmark District. This nationally recognized historic district was established in 1976 to commemorate the neighborhood's unique place in Ballard's history. To preserve its special character, the Ballard Avenue Landmark District Board reviews and approves all changes to building exteriors within the district before the changes are made, such as signs, awnings, window transparency, paint colors, street furniture and new construction.

The Board has seven members, including five that are elected and two that are appointed by the Mayor. The Board meets at 9:00 a.m. on the first Thursday of each month at the Ballard Neighborhood Service Center, 5604 22<sup>nd</sup> Ave NW. The meetings are open to the public and community members are encouraged to attend. If you would like more information about the district or the Board, please contact the Historic Preservation Program at (206) 684-0228.
