|------|---|---|
| 4:00 | Welcome and Introductions | Council Member Tim Burgess |
| 4:00 | A general description of Wing Luke Elementary School (demographics including ELL students, major programs, teachers, mission) | Davy Muth, Principal |
| 4:05 | Brief intro to Levy students, introduction to after-school program | Monica/Sarah |
| 4:10 | Guided field trip to after-school program. | Monica/Sarah/Miss Mai |
| 4:35 | Walk back to library. | |
| 4:40 | Continued description of the students we are focusing on as part of the Levy and why (used data revealing need around ELL students, African-American students, “bubble” kids)

A description of the strategies that you are using to improve student performance (school-wide focus on math last year, literacy this year, backwards planning, common core transition, cross grade alignment, intervention models) (levy programs and structure) | Monica/Sarah |
| 4:55 | The role your partners play in your Levy plan | |
| 4:55 | Show data and explain her role | My Linh/VFA |
| 5:00 | Show data and explain their roles | Mai/Danielle/Tiny Tots |
| 5:05 | Any preliminary student results you have seen so far. For example, improvements in attendance or increased achievement on TC levels. | Monica (literacy) / Sarah (math) / Helen (attendance) |
| 5:15 | Any barriers you are facing implementing your Levy-funded strategies
One minute each:

My Linh: Limited capacity to meet families’ needs.

Mai: Challenge to roll out a new program with an academic focus at the end of the 6-hour school day and maintain rigor and focus with students and tutors. Curriculum needs modification.

Sarah: Sustainability with balancing levy work with math specialist job. Major changes needed without the time to design, implement, and monitor.

Monica: Sustainability with levy work/literacy specialist job. After school program curriculum needs major attention and work, tutors need training | |

and mentorship- we are asking them to be teachers. Difficult to arrange time to meet with every teacher regarding data.

Danielle: No direct contact with Wing Luke teachers.

Davy: Timeline with budget is challenging.

5:25 Questions and comments (participants will have sticky notes that they have been able to jot down thoughts and questions.)
