Service Delivery:

- Before School
  After School
  During School
  Weekends
  School Breaks

Current Levy-Funded School Partners (*if applicable*): Denny International Middle School and Roxhill Elementary School

Key Program Strategies (*Please provide a brief overview of program strategies including number of students served and program costs*):

1. City Year Seattle/King County partners with six Seattle Public Schools: Denny International and Aki Kurose Middle Schools and Roxhill, Emerson, Martin Luther King Jr. and Highland Park Elementary Schools, serving a total of 2,867 students. We focus primarily on 3-8 graders. For school year 2012-2013, City Year Seattle/King County's operating budget is \$2,887,557; the budget for all of City Year's education programs is \$2,041,090.
- 2.
3. Providing Academic Support: through one-on-one and small group tutoring, City Year corps members conduct academic activities that increase student learning by working directly with students who need assistance in math and literacy.
4. Providing Out-of-School Time Programming: Every day, Monday – Thursday, City Year corps members run before and after-school programs to further support academic goals and promote attendance and positive behavior.
5. Providing Positive School Climate: City Year corps members facilitate lunchtime and recess programs that address conflicts like bullying and host family engagement events focused on math, literacy, and cultural appreciation.
- 6.
- 7.
- 8.
- 9.

Results Achieved (*Bullets or Brief Description*):

- 3-5 grade literacy: 80% of students made gains, 49% improved a grade level or more, and 14% moved from behind grade level to meeting or exceeding grade level over the course of the year. Progress charted based on the Measurement of Academic Progress—MAP standardized test.
- 3-5 grade math: 96% of students made gains, 59% improved a grade level or more, and 23% moved from behind grade level to meeting or exceeding grade level over the course of the year. Progress charted based on the Measurement of Academic Progress—MAP standardized test
- 6-8 grade literacy: 79% of students who were tutored one-on-one or in small groups improved their score on the start-of-year to end-of-year standardized reading Measure of Academic Progress (MAP) test and 32% moved from below grade level to at or above grade level.
- 6-8 grade math: 67% of students who were tutored one-on-one or in small groups improved their score on the start-of-year to end-of-year standardized math Measure of Academic Progress (MAP) test and 24% moved from below grade level to at or above grade level.
