The Seattle Design Commission advises the Mayor, City Council, and City departments on the design of capital improvement and other projects that shape the city's public realm.

Accomplishments

- 1. Held design workshop that defined the Civic Square project and conducted project review.
- 2. Participated in the SR-520 Stakeholders Group and facilitated the selection of three alternatives.
- 3. Spurred SDOT to think about the urban design ramifications in south end transportation projects.
- 4. Participated in the definition of the Seattle Center LTIP.
- 5. Conducted initial review of Sound Transit University Link project.
- 6. Incorporated Sustainable and Regional approach to project review.
