The September 16, 2021 meeting of the Seattle Design Commission will be devoted to a tour of light rail stations in Bellevue, Washington. The purpose of the tour is to visit Sound Transit’s light rail investments currently under construction in advance the Seattle Design Commission’s evaluation of options for stations and guideway segments in the West Seattle to Ballard Light Rail extension (WSBLE).

***The Seattle Design Commission will be touring sites consistent with the Governor’s Safe Start – Stay Healthy guidance, including the use of masks and social distancing.***
