 - Kids playground (Khmer)
 - Dog swimming pool
 - Affordable community gym
 - Another park (+I)
 - Cleaner parks – more baby swings
 - Viable Longfellow Creek, it's a dead zone now
- } Recreation Facilities
-
- Better drainage (+III)
 - Drainage
 - Rainwater harvesting
 - Infrastructure (+I)
- } Drainage Infrastructure

Other

- Less bamboo
- A bigger chalk board
- More density along Delridge Way
- Pride
- ? theme park
- More SPD foot patrols
- Moratorium on ECA (environmentally critical areas) development

Let's Work on ...

- Puget Blvd. Park is underused. Playground doesn't get used. Need play features for kids under 8 years old.
 - Puget Blvd Park: "Use-less" park. Children's equipment – no one knows how to use it. Becoming a hangout for loiterers.
 - People have been working on restoration along the greenbelt
- } Parks & Open Spaces
-
- 26th Ave SW: Our cars have been hit due to speeding cars – traffic calming
 - Delridge Way: Cars parked too close to the corners; obstructs view; can't see when turning left (Delridge Community Center)
 - Delridge Community Center: Crosswalk, but dangerous
 - Delridge Way: make it a more pleasant walking environment.
 - More marked crosswalks at the long blocks
 - 22nd & Delridge: Scary corner, bike safety and walkers
 - Delridge & Sylvan Way: Hard to see bicycles when turning right
- } Safe Transportation

N. Delridge Action Plan Phase 1 Meeting Themes

- “Alley floods”
 - Between 23rd & 24th Ave. SW: Flooding Areas
 - Delridge Way: Increase density – more stores; more people; more transit
 - We need more groceries available in the Delridge area.
-
- The diagram consists of two horizontal boxes on the right side. The top box is labeled 'Drainage & Flooding' and has a bracket on its left side that spans the first two bullet points. The bottom box is labeled 'Place-making' and has a bracket on its left side that spans the last two bullet points.
