### Detailed Program Descriptions

- **Athletics and fitness**: Programs include gym memberships, fitness classes, and sports leagues. Services are open to all ages and abilities and are accessible through various transportation options, including bicycle, scooter, and other non-motorized vehicles. Facilities are too overcrowded, and there are often unsafe conditions. Encampments and hygiene spaces are critical resources.

- **Health and Fitness**: Programs such as exercise classes, weight loss programs, and nutrition workshops. Services include health assessments, counseling, and treatment options. There are no barriers to entry, and programs are designed for all ages and abilities. Facilities are too overcrowded, and there are often unsafe conditions. Encampments and hygiene spaces are critical resources.

- **Community engagement**: Programs include community events, social services, and neighborhood meetings. Services are accessible through various transportation options, including bicycle, scooter, and other non-motorized vehicles. Facilities are too overcrowded, and there are often unsafe conditions. Encampments and hygiene spaces are critical resources.

- **Behavioral health**: Programs such as mental health counseling, addiction treatment, and support groups. Services are confidential and tailored to meet individual needs. Facilities are too overcrowded, and there are often unsafe conditions. Encampments and hygiene spaces are critical resources.

- **Environmental stewardship**: Programs include community clean-up events, recycling, and composting. Services are accessible through various transportation options, including bicycle, scooter, and other non-motorized vehicles. Facilities are too overcrowded, and there are often unsafe conditions. Encampments and hygiene spaces are critical resources.

- **Youth programming**: Programs include sports teams, arts and crafts, and educational workshops. Services are designed for young people and families, and access is available through various transportation options, including bicycle, scooter, and other non-motorized vehicles. Facilities are too overcrowded, and there are often unsafe conditions. Encampments and hygiene spaces are critical resources.

### Support Services

- **Emergency services**: 911 response (POLICE, FIRE, Medic One) for emergency situations.
- **Customer service**: For managing registrations and providing general support.
- **Program quality**: Ensuring programs meet high standards.
- **Stewardship**: Commitment to environmental and community well-being.
- **Healthy urban tree canopy**: Programs to build connections to nature.

### Strategic Plan

- **Operational awareness (e.g., crisis, etc.)**: Customer service, program quality, and program engagement.
- **Program quality**: Programs for people of all ages and abilities, with a focus on inclusivity and accessibility.
- **Stewardship**: Commitment to environmental and community well-being.
- **Healthy urban tree canopy**: Programs to build connections to nature.

### Additional Resources

- **Digital communications**: SPR newsletter, social media, website, blogs, NextDoor, etc.
- **Media**: Radio, newspapers, local blogs, social media, website, blog.
- **Surveys**: Engagement opportunities to gather feedback from the community.
- **Pickleball**: Pickleball courts are available. Facilities are too overcrowded, and there are often unsafe conditions. Encampments and hygiene spaces are critical resources.
