316	fewer people	3/27/2018 7:41 AM
317	i don't want more people visiting - appreciate solitude	3/27/2018 7:26 AM
318	Less mud during rainy season and when the Lake water is particularly high	3/27/2018 6:08 AM
319	We live in the area and thoroughly enjoy the Arboretum already on a regular basis.	3/26/2018 9:20 PM
320	bike racks at either end. maybe better drainage in a couple spots where water collects in the rainy season.	3/26/2018 8:46 PM
321	Not so swampy!	3/26/2018 7:49 PM
322	n/a	3/26/2018 6:39 PM
323	Less mud :)	3/26/2018 6:30 PM
324	Nothing in particular	3/26/2018 5:49 PM
325	i like that there are not a lot of people on the trail talking and being loud	3/26/2018 5:04 PM
326	More reliably dry trails - I always am afraid I'm going to ruin shoes in the mud during wet months (i.e. most of the year!).	3/26/2018 4:39 PM
327	Improved seating and more locations	3/26/2018 4:32 PM
328	Wasn't so muddy, cyclists be more polite. last time I walked over I got screamed at by a cyclist - I was trying to hand him his dropped waterbottle. Would be awesome if there were interpretive signs about plants and wildlife.	3/26/2018 3:49 PM
329	Make it less squishy.	3/26/2018 3:47 PM
330	Nothing. I visit as often as I can.	3/26/2018 3:16 PM
331	More trail maintenance to keep the trail not so muddy!	3/26/2018 2:18 PM
332	crossing traffic from Arboretum has been a challenge.	3/26/2018 10:45 AM
333	If it was less muddy	3/26/2018 9:49 AM
334	The end of the 520 construction mess.	3/26/2018 9:43 AM
335	when construction is completed. Also if I knew areas where people sleep there are safe - I have small toddlers and a dog so always worried about needles, broken glass, hygiene products or running into people who might not be safe for any reason.	3/26/2018 7:15 AM
336	Less freeway noise	3/26/2018 7:03 AM
337	not so wet	3/26/2018 6:29 AM

421	If it connected to the bicycle pedestrian lane on 520 on Foster Island via a stairway so that you could make a loop walk.	1/5/2018 2:14 PM
422	overcoming my own ennui	1/5/2018 2:31 AM
423	Less muddy/flooding during rainy season. Less construction	1/4/2018 11:28 PM
424	Non-motorized connection to/from Madison Park.	1/4/2018 11:28 PM
425	Easy parking/access	1/4/2018 9:29 PM
426	Less swampy conditions. That being said, I love it in it's natural condition.	1/4/2018 7:35 PM
427	If there were a way to prevent the walking trail over the bridges from being waterlogged and buddy a bunch of the year. It's a great place to run and walk, but trickier if it's muddy and full of puddles.	1/4/2018 6:41 PM
428	less washing over by wakes of big boats	1/4/2018 5:26 PM
429	more nesting sites	1/4/2018 4:47 PM
430	No road cyclists speeding down the trail and going too fast. Need a way to slow them down so this doesn't become like the Burke Gilman	1/4/2018 4:05 PM
431	More time	1/4/2018 3:58 PM
432	maybe a boardwalk the entire way? Often so muddy it's impassable.	1/4/2018 3:58 PM
433	A well maintained trail.	1/4/2018 3:57 PM
434	Better drainage after it rains	1/4/2018 3:42 PM
435	Stroller accessible trails across where the trail heads to fostering island and across to montlake.	1/4/2018 1:56 PM
436	Sometimes the trail is flooded/impassable, I can't use it for most of the spring which is when I'd most like to use it.	1/4/2018 12:40 PM
437	I like its rustic features and even at times, I walk it when under water.	1/4/2018 11:43 AM
438	Keeping it a peaceful treasure!	1/4/2018 11:35 AM
439	More free time.	1/4/2018 8:40 AM

441	You need to ban all dogs from this trail	1/4/2018 8:28 AM
442	maybe a bit dryer at times? Have to walk on the sideplanks now and again to go through. More educational signage would be good, pointing out fauna and flora.	1/4/2018 8:20 AM
443	More time!	1/4/2018 8:16 AM
444	Raised wooden walkways where the ground is muddiest in the winter	1/4/2018 7:36 AM
445	Elimination of the scary section that goes through the culvert, to get to the east end of the trail.	1/4/2018 12:27 AM
446	If it could be kept from becoming muddy.	1/3/2018 11:54 PM
447	Stop it from turning in to an impassable swamp.	1/3/2018 11:38 PM
448	Keeping it well maintained and clean. This is a phenomenal asset to the arboretum!	1/3/2018 11:25 PM
449	Consistently dry trail	1/3/2018 11:05 PM
450	That it was walkable all and less muddy. Many walkers that I walk with say they never plan on it because they have had such wet experiences.	1/3/2018 10:45 PM
451	easier access to starting point....	1/3/2018 10:31 PM
452	Trail maintenance and safer walk under 520	1/3/2018 10:28 PM
453	Only being able to use it year round, all the time. Seems like it was too soggy alot of last winter...understandable with all the rain.	1/3/2018 10:25 PM
454	a light-up crosswalk across Lake Washington Blvd at the soccer field parking lot	1/3/2018 10:24 PM
455	If it was in better shape. Our dogs hate the metal grate decking. They will not walk the trail.	1/3/2018 9:56 PM
456	Not so boggy and unusable much of the year.	1/3/2018 9:18 PM

Arboretum Waterfront Trail Survey

457	better maintenance	1/3/2018 9:10 PM
458	It would be nice if the garbage at the park were taken out more often (it's typically overflowing in the summer). And it will be nice when the bridge construction has been completed! Other than that, I wouldn't change a thing. It should stay as wild as possible.	1/3/2018 8:58 PM
459	More wildlife	1/3/2018 8:26 PM
460	usable benches	1/3/2018 8:13 PM

516	some maintenance	1/3/2018 1:06 PM
517	More seating	1/3/2018 12:57 PM
518	highway construction finished!	1/3/2018 12:49 PM
519	Some parts of the year are very wet, and the trails become quite muddy. Having drier paths or raised boardwalks might help. Sometimes the trails are quite isolated. I am a woman and do not walk there alone on quiet days, as there are vagrants loitering in some areas.	1/3/2018 12:47 PM
520	Less mud	1/3/2018 12:38 PM
521	It would be great to find a way to make the trails useable year-round. They are sometimes impassable due to mud up to your ankles.	1/3/2018 12:37 PM
522	Keep it feeling remote, and not designed.	1/3/2018 12:35 PM

531	if it were not wet and muddy! it would be nice if it were replaced with a slightly elevated walk (on pin piles) that would remain dry. I think the existing "in water" trail has reduced water flow into the inner ponds and has asseverated the algae growth. The current wood chips are like a sponge.	1/3/2018 12:09 PM
532	Haha, I go often, even biked it when it was closed last year. Just keep maintaining it!	1/3/2018 12:07 PM

1029	If it wasn't so muddy.	4/21/2016 12:09 PM
1030	I would use the trial much more often if it wasn't always so muddy and wet. Makes it challenging to use without heavy duty shoes and troublesome walking the dog.	4/19/2016 2:32 PM
1031	Dryness	4/19/2016 8:34 AM
1032	Completion of nearby construction - quiet.	4/18/2016 10:05 AM
1033	Trails in better repair and not so wet	4/17/2016 11:55 PM
1034	Trail is starting to sink and needs to be repaired. Better parking. Difficult to bring kids there when people are drinking and "being inappropriate" on the islands and water bridge areas.	4/17/2016 7:21 PM
1035	Having more parking available	4/17/2016 3:18 PM
1036	Better trail connections to surrounding neighborhoods.	4/13/2016 8:36 AM
1037	If it were closer to my house	4/13/2016 7:32 AM
1038	Less mud on the trails	4/13/2016 2:27 AM

1039	Thoughtful construction of walking path from the Visitor center across Foster Island, etc after the 520 construction is complete!	4/12/2016 8:04 PM
1040	If the stairs were not there. They make it difficult to take my children in a stroller.	4/12/2016 7:33 PM
1041	Less mud, easier parking, more trails	4/12/2016 5:53 PM
1042	Easier parking	4/12/2016 5:51 PM
1043	Easier to get there--there's a lot of traffic to get into the park sometimes.	4/12/2016 5:47 PM
1044	My own incentive!	4/12/2016 4:27 PM
1045	I love it now. Might run there more in the rainy season if the trail was a little more dry (not totally dry, but enough so my shoes are mostly not submerged over the top)	4/12/2016 4:02 PM
1046	Better maintenance of the trails and bridges	4/12/2016 2:15 PM
1047	If I had more free time	4/12/2016 12:54 PM
1048	easier traffic getting there from north of the ship canal.	4/12/2016 12:37 PM
