

# COMMUNITY MEETING

## WE ARE MAKING IMPROVEMENTS AT BALLARD PLAYFIELD!

Seattle Parks and Recreation will be upgrading the baseball infields and field lighting at Ballard Playfield, 2644 NW 60th St. Please join Seattle Parks and Recreation's staff and design team to learn about the playfield project and provide input on improving access to the playfield.

The proposed project will include installing two baseball synthetic turf infields, replacing the field lighting system, improving access to meet the Americans with Disabilities Act standards, and other field enhancements. These upgrades will address recreational demands, extend field play seasons, and reduce existing light impacts to neighbors.

Seattle Parks and Recreation is investing in state of the art synthetic turf systems that provide safe, playable, and durable fields. Additionally, we are investing in high quality energy-efficient field lighting which minimizes spill light and glare off the field while providing recreation light on the field.

**WE WILL HAVE LIGHT REFRESHMENTS AND ACTIVITIES FOR CHILDREN.  
ALL ARE ENCOURAGED TO ATTEND AND PARTICIPATE.**

# MONDAY, JUNE 11, 2018

## 7:00 PM - 8:00 PM

**BALLARD COMMUNITY CENTER, 6020 28TH AVENUE NW, 98107**

**FOR QUESTIONS ABOUT THE PROJECT OR IF YOU NEED AN  
INTERPRETER OR ACCOMMODATIONS PLEASE CONTACT:**
