

What's Happening at Lakeridge Playground and Playfield

Seattle Parks and Recreation will be renovating the play area and ballfield at Lakeridge Playground.

The project includes new play structures, new grass turf, irrigation and drainage for the ballfield, and access improvements to the park to meet Americans with Disabilities Act (ADA) standards, and potential enhancements to improve seating and gathering.

Playground design and play equipment types and style are being considered now!

Please participate in our online survey: www.surveymonkey.com/r/LakeridgePlaygroundRenovation

Park renovation include:

❖ Play Area

- Access to play area will be improved
- All new play equipment with separate structures for younger and older kids
- New play structures will meet current safety and accessibility standards
- Play area layout may be reconfigured and slightly expanded to meet needs

❖ Ballfield

- New grass turf, irrigation and drainage
- Improve access to field and dugouts and other ballfield amenities (based on budget)

❖ Courts

- Access to courts will be improved
- Basketball court will be retained and resurfaced - may be expanded as a multi-use court
- Tennis court will be abandoned due to continual maintenance issue related to the adjacent slope

❖ Design considerations also include:

- ADA parking and access to the restroom will be improved
- Seating and gathering will be enhanced and accessible
- New drinking fountain will be provided - may be relocated based on budget
- Pedestrian connections to adjacent Seattle Public Utility (SPU) project (see link below)
