

WE NEED TO HEAR FROM YOU!

JOIN US AT THE RAINIER COURT FESTIVAL

We need your input! Seattle Parks and Recreation is designing a new park at the North Rainier Landbanked site. Please join Seattle Parks and Recreation's Planner and Project Manager with Cascade Design Collaborative's designers to provide ideas about this exciting new park development.

We will have a booth at the Rainier Court Festival to show design options and hear what you like the most.

This project will provide additional open space for the North Rainier community and is located across from the Safeway parking lot at 3655 35th Ave. S., 98144. Funding for this park project is provided by the Seattle Park District to preserve open space in urban areas throughout Seattle.

This event is made possible through a partnership with Seattle Department of Transportation (SDOT), South East Effective Development (SEED) and Senior Housing Assistance Group (SHAG).
