What We Heard

Concerns stated in Feb. 2018 SDC Schematic Design Review

Conditions of Approval

1. Provide a workplan for Phase II (east parcel) including schedule, scope and potential funding
2. Move off-leash area to Phase II
3. Remove netting/fence around volleyball area

Recommendations

1. Provide information on bicycle circulation and vehicle parking
2. Analyze traffic calming for 23rd Ave W in Phase I
3. Explore reducing fencing along 23rd Ave W at soccer fields
