

OPPORTUNITY FUND PROJECT

WASHINGTON PARK PLAYFIELD PLAY AREA RENOVATIONS

Seattle Parks and Recreation is renovating the Washington Park Playfield play area. Please join Seattle Parks and Recreation's project manager, project planner and Harrison Design consultants at the Washington Park Playfield for an opportunity for public engagement and to provide input on this project.

We will hold a tented open house outside on the playfield to showcase design options and gather your input. We will have activities for children and highly encourage their input. Your ideas, comments and recommendations will assist us with creating a preferred design to renovate your play area.

This project will replace play equipment, provide access improvements and improve other features at the park. The scope of these projects provides improvements to bring the play area into compliance with current play area safety standards and Americans with Disabilities Act (ADA) access. Washington Park Playfield is located at 1017 Lake Washington Boulevard East 98112.

Funding for this park improvement is provided by the 2008 Parks and Green Spaces Levy Opportunity Fund.

SATURDAY, DECEMBER 12, 2015

11AM-1PM OPEN HOUSE

TO SHOW DESIGN OPTIONS AND GATHER YOUR INPUT

LOCATION: WASHINGTON PARK PLAYFIELD PLAY AREA
1017 LAKE WASHINGTON BLVD. E., SEATTLE WA 98112
