

HELP DESIGN YOUR NEW PARK!

WEDGWOOD LANDBANK SITE

Seattle Parks and Recreation encourages you to participate in the design of your new park.

Please join Seattle Parks and Recreation's staff and consultant designer, Studio 41, to provide input for the park.

We are hosting two meetings to inform you about the project and gather your

input. The first meeting will be an opportunity to learn about the project and provide input that will inform the overall design for the park.

The second meeting will show designs that reflect what we heard in the first meeting and be an opportunity to provide input on park design options.

Seattle Parks and Recreation purchased the .33 acre site at 8605 35th Ave. NE in 2014 to provide the Wedgwood community more open space and now the Seattle Park District is providing the funding to develop the site into a new neighborhood park.

COMMUNITY MEETINGS All are encouraged to attend, light refreshment will be served.
