1	Option 3 is very cool too but I think the climbing walls would be hard to upkeep and be very germy. Option 2 would be easiest to upkeep and looks the nicest overall, and most all-age friendly, with a very calming nature feel.	2/12/2018 2:35 PM
2	Would be nice if there was a location for a food truck. Options should be shown with the current buildings around them in a more cleaner way. Its really hard to see how the Park interacts with its surroundings.	2/12/2018 11:12 AM
3	Adventure wall and boulders sound awesome!	2/10/2018 7:44 PM
4	Thanks for letting us know about this. As someone involved in storm water management I like the coastal design and what looks like maybe a rain garden.	2/10/2018 6:29 PM
5	While I love all the plantings, I worry a bit about sight lines and blocking views into the park	2/9/2018 1:32 PM
6	Option 2 best reflects our Northwest features.	2/9/2018 2:43 AM
7	Love the play options with #2, but I loved the pollinator garden so much in option #3 and seating in #1 that it made it a tough choice.	2/8/2018 11:08 PM
8	Lose the pet area. No value. Dogs go where they want to go. Preferably the street margin.	2/8/2018 7:47 PM
9	Fabulous designs!	2/8/2018 6:36 PM
10	Option 3 really seems to have the best play area for the kids. We are solely lacking in this type of feature in the Junction. Love the hill, tunnel, and climbing wall features. We DON'T need a Pet Area in this parklet's dogs go elsewhere.	2/8/2018 2:36 PM
11	While I like the first design Architecturally, the play option in Option 3 is exciting to me as a parent. I also appreciate the wood materiality in the second option. The trike track is a great idea and could potentially be integrated into any of these options moving forward. Option 3- color palette is a bit garish and the plantings are too colorful.	2/8/2018 10:16 AM
12	Good job.	2/8/2018 10:01 AM
13	This space will be better utilized if it had a covered area for kids to play under and parents can sit under. There is also not enough play spaces in the northern WS area and a growing number of kids. Maybe adding swings at the Charleston water tower would help a little.	2/7/2018 10:52 PM
14	We really need some covered play spaces for kids and parents.	2/7/2018 9:42 PM
15	Option 3 has considerable benefits over the other two options. More color, flexible play area that ages well, and open spaces.	2/7/2018 7:47 PM
16	I do like the play structures from option 2 as well.	2/6/2018 6:09 PM
17	Always like more parks, this looks great. I like the birch trees, and the play wall a lot. Picnic seating is nice as well	2/6/2018 3:15 PM
18	Options 2&3 had the same pet space	2/6/2018 1:19 PM
19	That neighborhood needs more kid paly options.	2/6/2018 12:25 PM
20	I like the continuous ribbon in Opt1. It provides a permeable barrier that visually defines and contains the park. It as more "iconic" visually as well, creating a place that is memorable. It also provides more "pockets of activation" than Opt2.	2/6/2018 10:26 AM
21	pet space in number 3 is in a bad location.	2/6/2018 10:00 AM
22	Option 3 looks like other parks I've seen in the Seattle area Thus, I'm a proponent of Option 2 (& 1 ranked 2nd).	2/6/2018 9:52 AM
23	partially covered park would be great for rainy months	2/6/2018 9:33 AM

24	MORE GRASS!! In one of the renderings, you show people laying down on what looks like a big wooden deck - that will not happen in real life. Perhaps if you added lounge seating (ie seating that you can lay down on), but otherwise, that large patch of wood will likely go unused (ie wasted space).	2/6/2018 9:15 AM
25	I believe all three concepts would be successful	2/6/2018 7:12 AM
26	the idea of a covered play area given the seattle rain was floating around the mom group. is that not an option.	2/6/2018 7:08 AM
27	I wish there were better children's play options. I like that you aren't doing a traditional play structure, but I'm not sure that children would actually use any of these structures. All these parks are set up in such a nice way for parents to relax while kids play. It would be so nice to have something kids would actually use.	2/6/2018 6:39 AM
28	Please have either a covered play or dining area.	2/5/2018 11:29 PM
29	Covered play area for rainy days	2/5/2018 10:44 PM
30	Really like the tricycle track.	2/5/2018 9:51 PM
31	How about something semi covered for rainy weather	2/5/2018 9:38 PM
32	Would love to see more play structures for kids.	2/5/2018 8:22 PM
33	Please include an off leash section for the dogs.	2/5/2018 7:11 PM
34	Given nearby drainage issues, option 2' rain garden is nice and makes sense.	2/5/2018 3:48 PM
35	The more options for seating the better, I like the benches	2/5/2018 11:58 AM
36	Make sure all lights only show light downwards, not on any neighboring buildings	2/5/2018 9:50 AM
37	no restroom options? perhaps a pay toilets like they have in SF to discourage homeless camping insidedoor opens automatically after 15 mins.	2/5/2018 7:41 AM
38	A someone with both a dog, elementary age childen and who lives within a couple of blocks, I greatly prefer Option #3	2/4/2018 10:09 PM
39	Need to keep out homeless so taxpaying residents can enjoy this park. (When is the last time you saw taxpaying residents enjoying junction plaza park. Exactly.)	2/4/2018 9:15 PM
40	Thank you, these look great! Can't wait to use the park with my kids.	2/4/2018 8:32 PM
41	I like the uniqueness of option 2.	2/4/2018 8:01 PM
42	I'm thinking about amateur graffiti artists and what is least likely to be tagged. The ribbon seems like it'd be prime for scratching and ink.	2/4/2018 6:18 PM
43	I prefer Option 2, however, all the options have far too much pavement. Option 2 could be improved by having more green space.	2/4/2018 4:05 PM
44	sad about all the hard surfaces in all 3 designs	2/4/2018 3:20 PM
45	If hardscape elements from Option 1 could be combined with the landscaping and play elements from Option 2, I believe the best of both options would be fantastic.	2/4/2018 1:04 PM
46	Play areas for kids is sorely lacking in the Junction. Please incorporate a good play area!!!	2/4/2018 11:25 AM
47	In general, all of the ideas are fantastic. Coming from a person who loves the outdoors and served on the parks and rec committee in my hometown, I greatly appreciate the work and effort put into connecting with the communities desires and requesting their input. Some suggestions: The layout/design of option 1 is great but lacking in features for children. Option 2 has great features for kids (somewhat redundant) but aesthetically not as nice or urban which I think this park is. Option 3 incorporates native flowering plants along with a great climbing option for kids with a green space for running/picnics but lacks the layout/artistic design with the ribbon of option 1. The layout of the garden beds amid the concrete "path" seems choppy and not a great use of space. If option 3 could add a slide to the hill/rock wall and/or a rope to pull up the wall, replace a bench or two with a picnic table and add another, smaller green space off to the right it would be ideal. Thank you!	2/4/2018 11:16 AM
48	Great designs! It was difficult choosing between the plantings in options 1 and 3, but ultimately I prefer having trees to flowers. Option 1 is my overall favorite, but I would support most any combination of these designs.	2/4/2018 10:32 AM

49	Would like more seating with chair backs. I don't want to use tables and chairs near pet relief area on a hot summer day due to smell	2/4/2018 9:15 AM
50	2!	2/4/2018 8:30 AM
51	Please add small basketball, sport court fot teens	2/4/2018 8:14 AM
52	Ditch the pet relief area. I'd rather not have a section of such a small park smell like urine in the summer months right next to where people are sitting and/or playing. People will have their pets relieve themselves in any/other parts of the park as they come through anyway. To have it concentrated in one area will smell. It will kill all the grass in that area.	2/4/2018 6:46 AM
53	Love #2	2/4/2018 6:40 AM
54	Some shaded areas would be really nice for families with young children.	2/4/2018 6:36 AM
55	I just do NOT want to see the park becoming a haven for the homeless!!	2/4/2018 5:31 AM
56	Love the Option 2 as it will be lovely in snow or summer seasons. Room for snow angels and photo ops.	2/4/2018 3:47 AM
57	I hope this park gets patrolled so it doesn't turn into a homeless druggie camp	2/4/2018 2:30 AM
58	The natural look of 2 is best, picnic tables are a good option.	2/3/2018 11:55 PM
59	Solar-powered lamps? Perhaps a small water feature for tranqulity?	2/3/2018 10:44 PM
60	some covered areas would be nice!!!	2/3/2018 10:32 PM
61	Mostly curious how well lit the park will be in the evening/night time	2/3/2018 7:21 PM
62	I like the plantings in 2 and 3 but wonder if they would be trampled - not so nice then. Either 1 or 3 -	2/3/2018 7:00 PM
63	We need a larger pet area. There are so many pets in the area and not enough area for them.	2/3/2018 6:30 PM
64	I like most things about Option 2, but the plantings. All that spiky grass is very uninviting, kind of jarring visually. What about other ground covers?	2/3/2018 6:28 PM
65	Add some red 'share chairs' like at main parade ground at SF Presidio	2/3/2018 4:32 PM
66	I would prefer a bit more lawn in Option 2, as otherwise the area is mostly plantings. But overall I like all three designs.	2/3/2018 4:25 PM
67	Even though I am a dog owner and walk often around the neighborhood, I am not in favor of a pet area. Inevitably there would be those who do not pick up their dog's poop or keep the dog on leash (just as there is currently demonstrated all around the neighborhood and city parks).	2/3/2018 4:00 PM
68	I like that #2 has more continuity and needs the least editing. Generally trying to pack too much into this space. I support simplifying for more elegance (and less maintenance). Would also support best design for sun penetration.	2/3/2018 3:35 PM
69	Bench seating that doesn't allow for sleeping on would be great	2/3/2018 3:34 PM
70	Option 2 showed very mature trees, which i think may be misleading	2/3/2018 3:28 PM
71	Likeliken the planting's, expecte	2/3/2018 3:08 PM
72	Can rarely make public meetings, so appreciate the online survey - very helpful. Only concern is safety with having dense bushes or tall trees. What will the interior lighting be within the small park? Unfortunately the WS junction is less and less safe, would be nice to have a safety phone box perhaps, or ground lighting as well as light posts. Any information on this would be appreciated.	2/3/2018 2:56 PM
73	I like the signature ribbon. If that could be incorporated with Option 2, I think that would be a perfect park. Either way, Option 2 is by far the best option proposed.	2/3/2018 2:46 PM
74	If you do not have a dog, the idea of having a large area of your park just there for ppl to let their dogs go and not clean up afterwards (which is already common around those apartments), is very repellent.	2/3/2018 2:22 PM
75	Should be a dog park	2/3/2018 2:17 PM
76	Love the idea of birch planting's	2/3/2018 2:15 PM

77	I would prefer the second design, but I fear the depression for the coastal plantings and the boardwalk eat too much space out of the center of the park. Perhaps it could be moved closer to the street edge?	2/3/2018 1:50 PM
78	Option two is my second choice	2/3/2018 1:31 PM
79	Boardwalks in #2 are attractive, but wood deteriorates quickly around here.	2/3/2018 1:05 PM
80	Although I really like the idea of the flower/pollinator beds in Option 3, I'd worry about how parents and kids would react to being so close to working bees.	2/3/2018 12:57 PM
81	Minimize hardscape. Maximize plants. Don't put dog toilet right beside human seating (as shown in #1).	2/3/2018 12:53 PM
82	Can't wait!	2/3/2018 12:41 PM

# Q8 There is one more public meeting for this project. Do you plan to attend?
