2020 JUNIOR NATURALISTS EXPECTATIONS

Definitions:

Supervising adult – One of the adults involved with camp: Director, Assistant Director, or Environmental Educator. The Discovery Park Environmental Learning Center staff does not supervise Junior Naturalists.

Camper – A child attending camp.

Participant – A person 13-16 years old participating in the Junior Naturalist program.

Participant's adult – The parent or guardian of Jr. Naturalist

Environmental Educator – The staff working with campers.

The center – This includes daycamp rooms, staff offices, public indoor areas and the outdoor area adjacent to the buildings.

ALL participants are expected to:

1. Take this role seriously and with maturity- it is like a “job”- you are expected to be fully a part of the camp day- if you don't think you can fulfill this role without looking at your cell phone, please think this through before applying.
2. Have fun while learning new skills.
3. Attend all of the Jr. Naturalist Training.
4. Participate in the daily routine of camp with a positive smiling attitude.
5. Be committed to volunteering for at least 2 FULL weeks of camp.
6. Inform the Director when you will be absent, need to leave early/late, and/or arrive late.
7. Be at camp from 9:00am to 1:30pm or 8:30am to 3:30 pm, Monday through Friday.
8. Be a positive role model for campers.
9. Exhibit sound judgment and act in a responsible and safe manner.
10. Be ready to assist the Environmental Educators. Following are some typical tasks:
 - Leading games with one or more groups of campers.
 - Singing songs
 - Helping with campers at lunchtime.
 - Assisting with getting campers into bus/vans.
 - Basic group management.
 - Making props.
 - Set up and clean up for art projects.
 - Set up and clean up for Festival.
 - Assisting with stations during Festival.
 - Searching for certain materials/supplies.
 - Copying materials, i.e. coloring sheets.
11. Communicate with a supervising adult about any problems or frustrations you are experiencing as soon as possible.
12. Attend and actively participate in meetings with one or more of the supervising adults at the beginning and/or end of each day as scheduled.
13. Take a 15-minute break each day.
14. Let a supervising adult know when you leave the center.

Participants' Adults are expected to:

1. Have their Junior Naturalist to program on time (either 8:30am or 9:00am depending on the camp)
2. Pick their Junior Naturalist up on time.
3. Remind Junior Naturalist of the importance of informing the Director of absences, or needing to leave early/late, and/or arriving late.
4. Ensure that their Junior Naturalist can fully commit to the weeks for which they signed-up to volunteer
5. Make sure that your Junior Naturalist is here for the right reason- love of nature and kids!

Discovery Park is expected to:

1. Provide positive role models for participants.
 2. Provide participants with the training and background necessary to develop sound judgment and safe and responsible practices.
 3. Train participants in how to lead games.
 4. Train participants in basic group management techniques.
 5. Teach participants about Pacific Northwest flora and fauna.
 6. Provide optional training on a variety of topics.
 7. Help participants learn the layout of the center.
 8. Provide general support for participants.
 - By having at least one supervising adult available to answer questions.
 - By providing supplies needed.
 15. Actively participate in meetings with participants at the start and/or end of each day as scheduled.
 16. Provide stewardship and leadership opportunities.
