Dear Potential Junior Naturalist,

Associated Recreation Council

Greetings from the Nature Daycamp staff at Discovery Park!

Thank you for your interest in the 2020 Junior Naturalist program! If you are interested (must be 13 by May 31, 2020) in applying to be a Junior Naturalist at Discovery Park's Nature Daycamp for the 2020 summer season, please complete an application (that also includes an Expectations Contract). The contract lets Junior Naturalists and their parents/guardians know what is expected of each of them to participate in the program. If you would like a paper copy of this information, please let us know and we can mail it to you. Please feel free to tell all your friends and pass along this information! Below are important dates:

Junior Naturalist Applications DUE: Wednesday, March 4th

Junior Naturalist Interviews (15 min): the week of March 9th

MANDATORY Junior Naturalist Training: TBA (usually a Saturday in the Spring from 9:00am-4:30pm).

More information will be provided if you are offered the opportunity to be a Junior Naturalist.
