

Seattle City Employees' Retirement System

Notice to Active Members

February 14, 2019

In January 2019, Seattle City Employees' Retirement System (SCERS) changed to a new pension administration system. Members will be able to access their information via a new member portal which will be available by the end of this year.

You can still view your retirement contributions as of December 25, 2018 on Employee Self-Service (ESS) under "Benefits", then "Retirement/Deferred Compensation". In the meantime, if you need to see your updated contributions, please contact SCERS at retirecity@seattle.gov or call 206-386-1293.

Please note that starting January 2019, SCERS interest will be applied to your account on a quarterly basis; however, there is no change to the total interest that will be received by members.

Thank you for your patience.
