ELECTRICAL COMPLIANCE PROGRAM *Coming Soon*

The Seattle Department of Construction and Inspections has a new electrical compliance inspector.

Starting the fall of 2021, the compliance inspector will be visiting job sites to check electrical licenses.

THE ELECTRICAL COMPLIANCE INSPECTOR'S FOCUS IS TO ENSURE:

- Licensed workers are on all job sites
- Proper ratios of journeyman and trainees on job sites
- Compliance with WAC/RCW rules
- Equal opportunities are provided for all licensed electricians and electrical contractors
- A safer community by eliminating unlicensed electrical work
