GEORGETOWN TO SOUTH PARK CONNECTION

Studying a walking and biking connection between Georgetown and South Park

May 2019

Overview

We are studying routes that would provide a better connection for people biking and walking between the “main streets” of South Park and Georgetown. We are funded through early design to further develop route options.

Background

The need for better connections between Georgetown and South Park was heard throughout past planning including the Georgetown Mobility Study as well as through community advocacy.

This connection was also identified as important within our Pedestrian Master Plan, Bike Master Plan, Freight Master Plan, Transit Master Plan, and Bicycle and Pedestrian Safety Analysis.

Funding

City Council approved $600,000 in the 2018 budget for the outreach, planning, and early design of this project. The final design and construction are currently unfunded.

TAKE THE SURVEY!

We are working with Duwamish Valley Safe Streets to collect survey responses to learn top priorities for this connection. Please take the survey in English or Spanish at this link!

**Routes we’re studying**
The study includes a walking/biking connection between South Park and Georgetown on 16th Ave S, E Marginal Way, and potentially Ellis Ave S/S Albro Pl or Flora Ave S.

---

### Georgetown Connection Options

1. Flora Ave S: A neighborhood greenway on Flora Ave S that turns on S Eddy St and continues up Ellis Ave S

2. Ellis Ave S: A walking/biking path on Ellis Ave S that becomes a neighborhood greenway within the residential section

3. Ellis, Albro, 13th: A walking/biking path on Ellis Ave S, S Albro Pl, and 13th Ave S

### E Marginal Way S Connection Options

4. North side: A walking/biking path or protected bike lane on the north side of E Marginal Way

5. Trail by rail: A walking/biking path next to the railroad on the south side of E Marginal Way

### South Park Connection Options

6. West side trail option: Walking/biking path on the west side of 16th Ave S leading to the South Park bridge

7. Protected bike lane option: One-way protected bike lanes on both sides of 16th Ave S leading to the South Park bridge
